Seat Hanson As President

The Antioch Chamber of Commerce's annual Installation Dinner-Dance drew a record crowd of 180 people at the Harbor Ridge Country Club on Jan. 25. The main purpose of the dinner was to install new officers and board members and honor individuals leaving those positions. Of course the secondary purpose of the dinner was a good time, which was had by all.

Ted Axton, the emcee of the dinner, began the ceremony by introducing Michael Warren, the chairman of the Antioch Redevelopment Committee. Warren outlined what the committee was doing with funds it will receive from its state Tax Incremental Financing District.

The funds are derived from local sales and real estate taxes. This is the first year the committee can take advantage of these funds. Warren said that the committee will use the funds to assist in paying for a full time

redevelopment director, pay for an open mall for Main St. which will provide more parking in the downtown area, and bring projects made in the area into downtown Antioch stores.

"We are working together now more than ever before," said Warren of the committee relationship with the village.

Next on the agenda was a short slide presentation entitled "Antioch We Love You" which was put together by Dennis Johnson and Sandi Siegmeier. The presentation included pictures of Antioch businesses.

Axton then introduced Carol Bedame, 1985 President of the chamber, and owner of Weasle's Restaurant. Bedame introduced and thanked her board members and officers who were present. They included Second Vice-President Dick Paddock, of the Advertiser; Treasurer Dennis Dempsey, of Country Oak Cabinets; Secretary Ray DeMartini, of the Larsen, Gantar, DiMartini Law Firm; and Board members Florence Babusek of the State Bank of Antioch; Cathy Galdine of Galdine Multi-Circuit Inc.; Larry Hanson of B.J.'s Fashions For Men; and Laddie Korecek, of Johnson Jewelers.

For her year of service as president, Laddie Korecek, on behalf of the 1985 board of directors gave Bedame a gift certificate to Antioch Pizza. Larry Hanson, 1986 president, presented Bedame with an engraved silver plate.

Hanson then presented his new officers and board members for 1986. They included: First Vice-President Dennis Dempsey, Second Vice-President Ray DeMartini, Secretary Cathy Galdine, and Treasurer Ray Paddock. Board members included Raymond Scarpelli Jr. of Raymond Chevrolet and Oldsmobile, Florence Babusek, Stan Luta, Postmaster of Antioch, and Eric Whitton of Regal China.

Pierson Named

After interviewing all six candidates and going into closed session at a special meeting held on Jan. 27, the Emmons School Board named Pam Pierson as the newest member of the board.

Pierson takes the place of Richard Becker who resigned on Dec. 31. She was formerly a board member for four years before being defeated for reelection last November. Her term will expire in November of 1987.

The other five candidates for the seat were Kary Cybul, Jim Dalgaard, Jim Koppa, Bob Malson, and John Wolf.

Scouts Plan Picnic

A newly organized Camp Fire Group of girls and boys for the Antioch area will be planning a winter picnic indoors to celebrate Ground Hog Day.

Leaders Pam Podstwa, and Cyndy Rogers, have invited another Camp Fire Club to join in on the games and fun. The event will take place on Feb. 2 from noon to 3 p.m. at the Antioch Scout House located at 741 Main St.

Old Barns To Be Displayed

On Feb. 3, The Antioch Women's Club will be presenting Robert Teske.

Teske is an Antioch resident who is active in the Lakes Region Historical Society. He has presented this program "Old Barns" many times.

His illustrations, tools, materials, even parts of barns help show the construction and history of these barns all of which are located in Northern Illinois.

Dems Host '86 Party

The Democratic Kick-Off Party "Election '86" will be held on Feb. 5 at Ron and Pat's Pizza Shack, about one half mile north of Grass Lake Road on Deep Lake Road in Antioch. Festivities will begin at 8 p.m.

"The party is not a fund raising event," said Karen Rydberg, Lake County Vice Chairman. "It's rather," she added, "an opportunity for our committeemen, judges and their friends to mingle in a relaxed atmosphere and just have a plain old fashion good-time."

"Before the hectic campaigning, I personally look forward to seeing all of our Democrats let down their hair and recharge themselves for the future. There will be plenty of free pizza and good cheer to go around," said Rydberg.

Free Lessons At Central

Square dance lessons, sponsored by the Paddock Lake Squares will be held at Central High School located on highway 50 in Paddock Lake, WI. Classes will be open to beginners 18 years of age or older on Feb. 3, and will run from 7 to 9:30 p.m. every Monday. The first lesson is free. Harry Lind of Racine will be the instructor. Antioch Does 'The Shuffle'

Ted Axton, the president of the First National Bank of Antioch and the emcee of the Antioch Chamber of Commerce Jan. 25 Installation Dinner Dance, does his impersonation of Bear defensive end Richard Dent. Members of the Antioch Chamber of Commerce paid tribute to the greatest football team the world has ever known by doing their own version of "The Super Bowl Shuffle" for the entertainment of those attending the dinner.

Board Studies Area Growth

The Antioch Grade School District 34 authorized their Building Committee, as well as the Superintendent and principals of the district, to review the district's elementary school boundaries over the next year.

The board is concerned over the ability of their schools, particularly the Antioch Lower Grade School, to handle projected increases in enrollment. The Antioch Lower Grade School has a projected enrollment of 382 students for the 1986-87 new year yet it only has a capacity for 376 students.

The other three schools in the district all have substantial room for growth yet the board is still concerned about developments proposed for the area which may add as many as 1400 new students to the district.

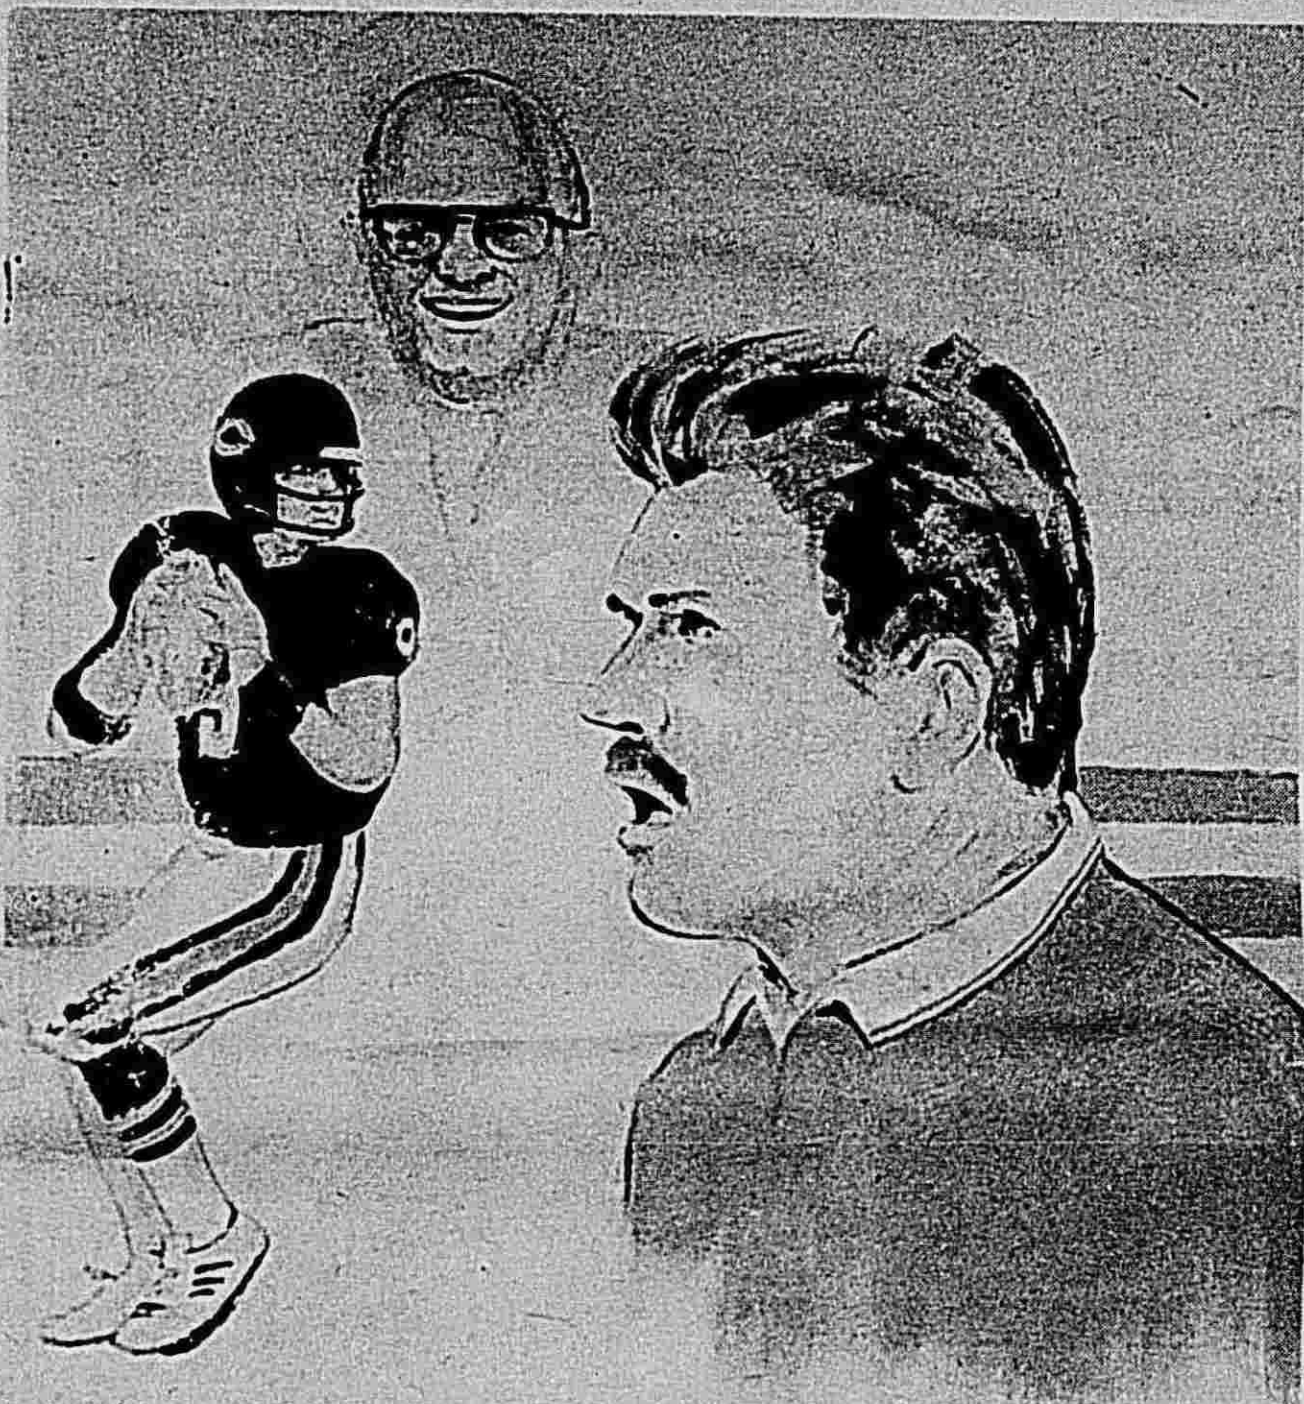

Over 1300 new homes are expected to be constructed on land near the Oakland Grade School. Other developments in the works include a 66 apartment building complex which may be constructed on highway 173 and two

other major housing developments which could be built on property owned by Al Little and Joe Patrosky.

The committee will present their findings to the full board in December of this year in order for the board to make decisions regarding growth for the 1987-88 school year.

The board also authorized Superintendent Donald Skidmore to maintain a staff of 85-86 employees for the 1986-87 school year. The board had originally planned to allow for a staff of 84-85 personnel but increased the number by one in order to keep an extra part time employee on the junior high staff.

The board also authorized Skidmore to begin using the 1985 edition of the SRA achievement tests which are given to students in grades 2-8. It was also announced that Mr. Fred Genck will give the board an evaluation of a two year study he has done of the district at the board's next meeting to be held on Feb. 18.

Bears Honored

The images of Mike Ditka, George Halas, and Jim McMahon are only a few of the different Chicago Bears depicted in a giant Bears mural painted by Thom Hannigan in his brother's bar, Malachy's Norshore Resort. The likenesses of Don Hampton, Mike Singletary, Jay Hilgenburg, and Jim Covert are also portrayed on the giant mural, a tribute to the world champion Bears.

Norshore Resort Honors Bears

By SEAN MALACHY

Located a few hundred feet south of Green Bay Packer territory is the northern most Chicago Bear Den. Malachy's Norshore Resort in Antioch is claiming the distinction (unofficially) of being closest to the Wisconsin/Illinois State line.

The proximity to "Packer Land" has been cause of some heated, but amiable, discussions when these two national football conference central divisions opponents wage war twice a year. However, as the Bears are in the Super Bowl this year, all of the Norshore faithful have joined their voices in a Bear roar of enthusiasm.

A banner behind the bar lets all who venture in; (be they ice fisherman from

near by Lake Catherine or snow mobilers taking advantage of the ample parking space at Malachy's, or the neighborhood locals who are "The greatest guests in the world") know that this is Bear Headquarters. Rita and Mal Hannigan are "Mama" and "Papa" as well as keepers of the Den. Throughout the bar there are banners, posters and pennants proclaiming praise to the Bears.

Unique and original and by far the most eye catching, is the 10 x 16 foot mural saluting the Bears.

The painting is the work of Malachy's brother Thom and is the focal point for all diners enjoying the award caliber chili or a bowl of Rita's homemade soup.

Centered in the mural are the Pro likenesses of Dent, Singletary, Hampton, Hilgenburg and Covert along with the Super Bowl insignia and replica Bear Logo. The left wall depicts coach Mike Ditka being guided by the spirit of George Halas while the right side shows a much deserved bigger than life tribute to the one Bear who stands alone, Sir Bear, Walter Payton.

St. Peter's To Hold Open House

St. Peter School has chosen the week of Feb. 9 as Catholic Schools Week. Parents are cordially invited to attend an Open House at St. Peter School on Feb. 9 following the 9:30 a.m. Mass and continuing until 1:30 p.m.

Children's work will be displayed in each homeroom and throughout the school building. You are welcome to visit any area of the school.

Registrations for families new to St. Peter School will begin promptly at 10:30 a.m.

Families presently enrolled may register immediately after the 9:30 Mass. Because several grades are close to our numerical limit, it is important that everyone register now!

Every family must register including those presently attending St. Peter School. Registration is not

official unless the \$25 registration fee (non-refundable) is paid.

First graders and new students must present a baptismal or birth certificate. First graders must be six years of age on or before December 1, 1986.

The First Grade Mothers of St. Peter School will provide refreshments from 11:30-1:30 p.m. for all Open House visitors.

ACHS Rehearses Concert

Members of the Antioch High School concert band, jazz ensemble and symphonic band will be featured in mid-winter concert on Thursday, Jan. 30.

The concert will begin at 7:30 p.m. with the concert band performing a March entitled "Days of Glory," Leroy Anderson's "Horse

and Buggy" and "Short Prelude with Perspectives."

The next group to perform will be the jazz ensemble. They will play three selections entitled "Hurt So Bad," "Easin" and "Jazzman."

To close the concert, the symphonic band will perform "Charter Oak" a concert march, "Cakewalk" and "Rag" from the "Suite

of Old American Dances," "Procession of Nobles" composed by Rimski-Korsakov. Highlights from "Hello Dolly" and "Chorale and Shaker Dance."

Tickets for this concert can be purchased at the door or can be obtained from band students, adults \$2, students \$1.

From left are Jim Egem, Irene Cheterbok, who made cakes for the patients, Eleanor Rich, who made cookies for the patients, Deborah Morella who accepted for her mother Valerie Talbert, and Steve Strankas.

Dining/Entertainment

Four Star Productions New Theater Group

Four Star Productions, in conjunction with the Riptide Restaurant (formerly Crescent Bay Landing) announce the opening, Feb. 18, of their "Theatre on the Bay" located on the Beautiful Fox River in Johnsbury.

Four Star has chosen one of Neil Simon's funniest plays for their premiere, featuring Lillian Allen as Jeanette in their production of "Last of the Red Hot Lovers." Allen is well known locally for her numerous appearances at the Abbey in Fontana, Cabriolet in Libertyville and the McHenry and

Antioch Country Club Dinner-Theatres.

Audiences will especially remember her many roles at Andre's Dinner-Theater in Richmond. She will also be remembered for her many appearances with the Gaslight Players of Twin Lakes and PM&L Theatre in Antioch. Among her most recent PM&L appearances were roles in "Light up the Sky" and "Fiddler on the Roof."

Four Star Productions represents the partnership of four professionals. George Cina has been teaching at McHenry High School for

almost 30 years, with many years of experience both technical and on stage.

Ann-Marie Cina, Allen and Yvonne Alton, all professional actresses, have appeared in dinner theatre productions through-out the Illinois-Wisconsin area. Their main purpose is to form a permanent resident theatre where they can continually offer opportunities to the wonderful talent that abounds in the area.

An attractive Sunday brunch or luncheon/theatre package is being offered. Theatre only, is also available, both to groups and the general public, by calling (815) 385-5523 or (815) 344-0565, or by writing Riptide's Theatre on the Bay, 3309 N. Chapel Hill Rd., Johnsbury, Ill. 60050.

Red Hot Production

New Lake County theater group, Four Star Productions will open a dinner-theater at the Riptide Restaurant in Johnsbury with "The Last of the Red Hot Lovers." Starring in play are, from left, rear, Ann Marie Cina, Lillian Allen and Yvonne Alton. Lou Lanciloti is in front.

Square Dance

Square dance lessons, sponsored by the Paddock Lake Squares will be held at Central High School located on Hwy. 50 in Paddock Lake. Classes will be open to beginners 18 years of age or older on Monday, Feb. 3 and will run from 7 until 9:30 p.m., every Monday. The first lesson is free. Harry Lind of Racine will be the instructor. Theatrical Reflecting

Tom Dawson and Bethany Evans, members of the Woodstock Musical Co., are seen in a pensive moment while reflecting on the decade that has passed since high school graduation during rehearsals for "Say Goodnight Gracie," slated to open on Feb. 7, at the Woodstock Opera House in Woodstock.

PM&L Tuning Up

The new musical, "They're Playing Our Song," which won the Tony Award as best musical a couple of years ago, is being tuned up for the P.M.&L. community theatre stage. The theatre is located at 877 Main St. in Antioch.

This wonderful comedy based upon the lives of a show business song writing team is being directed by Mark Badtke who makes his third appearance as a director at the theatre.

Serving as his stage manager is Ann Livermore. Music direction is under the care of Peter Thelen. Ingrid Lindberg will be the show's piano accompanist. Lighting is under the direction of Larry Bersie and

sound is in the hands of Reggie Reynolds. Choreography is being staged by Donna Badtke and publicity is being cranked out by Tom Hausman.

All the efforts of these plus several others should harmonize to bring "They're Playing Our Song" into tune for viewing and listening pleasure on Feb. 7, 8, 14, 15, 21, and 22 at 8:30 p.m. and on Feb. 16 at 2:30 p.m.

There are dinner-theatre packages available for this charming Neil Simon and Marvin Hamlisch musical with: The Village Pub (312) 395-3373; Struggles (312) 395-9400; and Hoff's Columbia Bay Tavern (312) 356-8550. Make reservations by calling (312) 395-3055.

Woodstock Theatre Co. Working On 'Gracie'

The five cast members for the bittersweet comedy, "Say Goodnight, Gracie," are in rehearsal for their Feb. 7 opening night, the second show of this 10th season for the Woodstock Musical Theatre Co. at the Woodstock Opera House.

Terrie Snell, director of this production, said the play takes place in a New York City apartment, involving five people in their late 20s

who are preparing to attend the 10th anniversary of their graduation from high school.

Cast members are: Gary Koon, Huntley, as Jerry, a writer; Bethany Evans, Algonquin, as Ginny, a secretary; Tom Dawson, Crystal Lake, as Steve, an actor; Karen Gorrin, Elgin, as Catherine, an airline stewardess; and Chris Burns, Woodstock, as Bobby, a rock-and-roll singer.

"Say Goodnight, Gracie" is Snell's debut at the Woodstock Opera House. Versatile and enthusiastic, Snell has appeared professionally in "Star Spangled Girl" and "Summer and Smoke."

She has directed productions for several Libertyville area organizations and has appeared in television commercials. She is also a consultant to a major publishing firm concerning revisions in junior high school drama and literature productions. She is owner and artistic director for "Greasepaint and Spotlights," a school of performing arts at Libertyville.

"Say Goodnight, Gracie" opens Feb. 7 and continues for a total of eight shows, closing on Feb. 22. Tickets are now on sale at the Woodstock Opera House for \$7 and \$9. The phone number at the Opera House is (815) 338-5300. Friday and Saturday shows will start at 8:15 p.m. and the Sunday, Feb. 8, 15 and 22 shows will start at 6:15 p.m.

Working Moms

A record 19.5 million mothers, or six out of 10 women with children under 18 years old, were in the U.S. labor force in 1984. Ten years earlier, not quite five out of 10 mothers were employed outside the home, according to "Working Mothers and Their Children," a fact sheet issued by the Women's Bureau of the U.S. Dept. of Labor.

CLC Rehearses 'Sam'

The College of Lake County (CLC) Theatre announces auditions to be held for the spring production of Woody Allen's comedy, "Play It Again, Sam". Auditions will take place Monday and Tuesday, Feb. 3 and 4, at 7 p.m. in the college theatre, Building Five on the Grayslake campus.

Three men and eight women will be cast in the production scheduled for March, 14, 15, 16, 22 and 23. Scripts are available at the circulation desk of the main campus library. All students and community members are eligible for auditions. Technicians and set crew are needed, too.

For further information, contact Bob Coscarelli, ext. 623 or Eibhlin Glennon, ext. 567.

Schedule Youth Play

Greasepaint and Spotlights will present "Hansel and Gretel," the second in its Plays for the Very Young series, Sat. Feb. 1, 8 and 15 at 1 p.m. in their studio at 115 West Church St., Libertyville.

The cast is comprised of students from the Greenroom Gang III classes. Playing the lead roles are Nicky Powers (Mundelein) as Hansel, Rachael Schuelien (Libertyville) as Gretel. Their parents are Rebecca Medina (Vernon Hills) as the mother and Karma Johnson (Libertyville) as the father. A special feature in this rendition of Hansel and Gretel, is a playfull mime Kiko played by Melissa Nelson (Lake Bluff).

Reservations may be made by calling the studio (312) 680-8686. Ticket prices are: \$2.50 child under 12, \$3 adult and \$1 seniors.

NICC Derby Set Feb. 8-9

Thousands of ice fishermen from all over Lake, Kenosha, McHenry and Cook counties will be flocking to the annual Chain O'Lakes Ice Fishing Derby and Winter Festival on Saturday, Feb. 8 and Sunday, Feb. 9.

The derby's headquarters will be on Channel Lake by Wasz's Resort and there will be two other registration locations on Petite Lake by Kemp's Resort and on Pistakee Lake at Pinky

Harrison's, Harmony and Bald Knob.

Over \$30,000 in prizes will be given away and there is an additional \$120,000 in cash waiting for the lucky fishermen that snag any of the tagged fish that have been put into the Chain.

Over 100 family and childrens prizes will be

awarded during the derby. Refreshments will be available at the derby's headquarters and local resorts.

The derby is sponsored by the Northern Illinois Conservation and 885 Clubs.

Any additional information can be obtained by calling (312) 395-NICC

Theater Classes

Greasepaint & Spotlights is currently taking registration for its second semester of classes in acting, singing and dancing. Classes are held Mondays through Thursdays from 4-8 p.m. The most popular classes this year have been the Green Room Gang series. These classes combine all three of the performing arts and is a fun packed hour and a half of class. Next in demand is Let's Begin and Kids on Broadway classes devoted to acting and musical theatre respectively. To register or for a free brochure call (312) 680-8686. Classes begin Monday, Jan. 27.

In 'Barefoot'

Carol Swan, Crystal Lake, left, and Don Crop, Mundelein, appear in Fantasia Productions' "Barefoot In the Park," slated to open at Andre's Dinner Theater Richmond, on Jan. 31.

Andres Goes 'Barefoot'

Fantasia Productions opens its second show of the 1986 Winter Season at Andre's Steakhouse Dinner Theatre in Richmond, Friday, Jan. 31 with the presentation of Neil Simon's "Barefoot In The Park". Directed by Ron Ferraro, this rollicking comedy stars Jill Ackerman of Elgin as Corrie Bratter, Don Proctor of Roselle as Paul Bratter, Carol Schwan of Crystal Lake as Ethel Banks and Don Crop of Mundelein as Victor Velasco.

"Barefoot In The Park" is

a rollicking comedy centering around the young newlywed Bratters and their first few weeks of marriage which nearly end up being their last few weeks of marriage. Corrie has selected a one-room apartment on the sixth floor of an old New York brownstone as their new home and her new husband Paul, a rising young attorney, nearly collapses every time he tackles the six flights of stairs.

Somewhat of a stuffed shirt, Paul does not look kindly on such things as

running barefoot in the park in the middle of February, strange foods and acting as cupid for Corrie's widowed mother and an aging beatnik neighbor.

For those wishing to enjoy and inexpensive evening out with fine food and excellent entertainment, Andre's offers their dinner/theatre package with three excellent entrees to chose from. Reservations are necessary and can be made by calling (815) 678-2671.

Mayor Alerts Thompson

Fox Lake Village Mayor William Dam has sent a letter to Governor Thompson demanding to know why construction of the Route 132 bridge has been stopped.

The bridge, which was supposed to be completed has been reduced to one lane for the past six months. Dam is concerned that the bridge will not be complete in time for the summer tourist season. Dam pointed out in his letter to the Governor that 1.4 million people visited Chain O' Lakes park last year while another 900 thousand used the Chain O' Lakes waterways.

Dam also told the Governor that the village had received little cooperation from the State Highway Department. His letter read in part:

"We have not so much as received a letter from IDOT explaining why the project work was stopped or when it will restart. Unless we at least receive the courtesy of a projected project completion date, I feel we will have to alert these two million citizens who frequent the Fox Lake area as to the

apparent indifference of the State Highway Department."

Dam sent his letter on Jan. 17, over a month after the bridge was to have been completed.

Presentation Set For Feb. 3

The Round Lake Area Historical Society will be presenting Katherine Hamilton Smith, Curator of Special Collections of the Lake County Museum at 7:30 p.m., on Monday, Feb. 3, at the Avon Twp. Hall, 433 Washington St., Round Lake.

Smith will show a slide presentation of the Curt Teich Post Card Collection, an overview of Lake County.

The public is cordially invited to attend this interesting presentation.

Mickey On Power Trip With County As Target

by JOHN STEINKE

Who is the barracuda of Lake County politics? Who wants to be the Boss Hogg of the Republican party? Who is the most powerful political figure in our area? I will give my 12 readers a hint. His initials are: Sheriff Robert H. "Mickey" Babcox.

It really scares me. Most politicians are afflicted with an arrogance of power. We all know that power corrupts, and that absolute power corrupts absolutely. In my opinion, Sheriff Babcox is on a power trip to create a political machine in Lake County. If he succeeds, Chicago Alderman "Fast Eddie" Vrdolyak will resemble a political reformer.

Here are samples of Sheriff Babcox's machinations to transform Lake County into

Steinke On Politics

his political fiefdom.

1. The Grant Twp. GOP organization is the closest to a Chicago-styled organization. It may be as politically proficient as Chicago's famous 11th Ward (Bridgeport), home of the late Major Richard J. Daley. Following the death of Supervisor of Harry Robin, Babcox assumed the defacto leadership of the Grant apparatus. In the 1982 Republican primary, then Coroner Babcox defeated incumbent Tom Brown to win the party's nomination for

sheriff. In his victory statement, Babcox expressed his affinity for the Grant Twp. organization when he commented: "Thank God for Fox Lake and Western Lake County."

2. Following his 1982 election as sheriff, Babcox maneuvered the appointment of his chief assistant, Barbara Richardson, to the office of coroner. In 1984, Coroner Richardson became the first woman ever elected to the position. Quincy, she is not. Both Babcox and Richardson are residents of Grayslake (Avon Twp.) and County Board Dist. 4, which encompasses Avon, Antioch, Grant and Lake Villa Twps. Richardson realizes that she wouldn't have attained countywide office without Babcox's support.

3. Babcox intends to elect Dist. 4 County Board Rep. Donna-Mae Litwiler of Ingleside to the office of Lake County Clerk in 1986. The sheriff plucked Litwiler out of virtual obscurity. At one time she was employed in the coronor's office. In political circles, it is common knowledge that she is wired for sound by the sheriff.

4. As a Lake County Board member for six years, Litwiler has never introduced a major bill, made an important speech or played an important part in committee proceedings. Litwiler is a politico, who has a pronounced penchant for stuffing both feet in her mouth. In fact, it is rumored that the last two words that her husband, Dave, ever uttered were: "I do."

In the March 18 primary, Litwiler's opponent is Wauconda Village Clerk Venita M.

Connel. Mrs. McConnell is a vivacious, middle-aged public official. She has been active in Lake County GOP Chairman Bob Neal's party cabinet and is a Republican Twp. Chairperson. McConnell is a reasonable and intelligent conservative. She stands head and shoulders above Litwiler.

Next week, my column will explore how Lake County Sheriff Richard J. Babcox has affected the 1986 primary races for county clerk, sheriff and regional supt. of education. Stay tuned.

MAILBAG: I am approaching the final glide pattern of my life. Besides my late grandfather, the smartest person that I've ever met is Wilfred Meier. "Mayor" Meier manages the world-renowned pig farm of Bristol, Wis. Whenever I receive a letter from "Mayor" Meier, I open it with trembling hands. Here is his latest epistle:

"This is another 'Dear John' letter. I have once again decided it was time to take pen in hand, and take a complaint right to the horse's mouth. While you may not enjoy hearing complaints, it is better than taking one to the horse's other end. This time you've really let me down. . . . Each week . . . yours truly sits down (and) sorts out 'The Bi-State' to see if Steinke's column is carried this week. I generally relish his poignant wit and barbs."

"Yours truly does not wish to read about a 46-year-old lopsided, football score. Of course my 17-year-old son, William, said:

'Well, old man Steinke is finally getting with it!' With regard to our hapless Packers, it would appear from the news flashes the last couple of weeks, that (Green Bay Coach) Forest Gregg feels the caliber of the players in general was better than the caliber of the assistant coaching staff. he's cleaned out the stable with a large, stiff, barn broom. Don't give up the ship of loyalty yet, while 8-8 seasons are nothing to brag about, at least when they happen three-years in a row they're consistent."

"Mayor" Meier's letter was in response to a column that I had authored lamenting the decline of the Green Bay Packers and describing the 1940 Chicago Bears victory over the Washington Redskins, 73-0, for the world championship. For the first time since I've known Wilfred Meier, he has committed a grievous mistake. The Steinke will bet the Meiers a steak dinner that the 1986 Green Bay Packers will post a losing record. Without a quarterback, a punter, a running game and a first-round draft choice, Packer prospects are dismal for next season.

How will the impending trials of three Packers on moral charges affect the team's morale? Do you really think a team that loses to patsies like the St. Louis Cardinals and the Indianapolis Colts is on the road to Super Bowl XXI? I like my steak well-done.

Anderson Gets Support

Pat Anderson, candidate for Dist. 4 County Board, was greeted by more than 300 well-wishers at a fund raiser held for him at Johnny

D's Pier 83 in Grayslake.

Some "notable notables" giving their support to Anderson were: Mickey Babcox, Lake County sheriff; Rus Christians, Grayslake;

Robert Churchill, state representative; Jim Fields, Antioch Twp. supervisor; Donna Mae Litwiler, Dist. 4 representative; Robert Neal, Lake County Republican Party chairman; Fred Popp, Dist. 4 representative; George Scherer, Mayor of Round Lake Park; Chuck Kempf, Antioch Twp. Precinct Committee chairman; Glen Moore, Lake Villa Twp. Precinct Committee chairman; and Charlotte Kieser, candidate for Dist. 4 representative.

Anderson has already received the endorsement of the Avon, Antioch and Lake Villa Precinct Committees.

Grass Lake Jr. High Lists Honor Students

by ARDEEN HARRIS
(312) 395-2761

I've never seen a town so geared up for a sports event in a long time as the Super Bowl.

All the gals at the Las Vegas Restaurant were wearing Bear T-Shirts on Sunday, some even had on Bears hats. Did you notice some supermarket receipts - "Go Bears" at the bottom? I'm happy that they won the Super Bowl!

Report cards were issued at Grass Lake School. Congratulations to the following Junior High Students on reaching the honor roll for the second quarter:

Sixth Grade: Rachael Arnold, Matthew Flesherman and John Hines. Seventh Grade: Tiffany Christopoulos, Ericka Diehl, Korinne Madden, Deanna Olenick and Marina Stafford. Grade Eight I: Christina Aker, Mike Campbell, Brian Fehrenbacher, Jenny Harris, Tami Johnson, Chris Varno and Brian Weeks. Grade Eight II: Carl Campbell, David Clauson, John Cole, Ken Mattson, Joe Rohde and Michele Skrypt.

Puppies, Puppies

everywhere! This is the continuing story of Liz Schmehl. She is up to her ears in puppies. DeeDee is now the proud mama of a new brood and Grandma Liz is looking for good homes for these new babies. The mama is a beagle and the dad is thought to be a golden retriever. Whatever they may be, Liz said they are just adorable, so if you are interested, give her a call at (312) 395-5380.

Peggy Castiello is still looking for mom's who may be interested in the Antioch Base Co-op babysitting service. Remember you don't have to be a resident of the Grass Lake area to get involved in this group. There is no money involved, just an exchange of time. Maybe you would like to just get away from the kids and to out for lunch one day, or maybe you might have a doctor's appointment? What to do with the kids? Call Peggy at (312) 395-5923 and find out more about this group.

They have a monthly meeting where you can go and meet the moms and also the kids. If you are new to the area, it might be a good time to meet some new people.

The Grass Lake School is

once again participating in the Math-a-thon program sponsored by St. Jude Children's Research Hospital. Miss Glessner, Junior High math instructor, is encouraging all students to participate in this worthwhile program.

The money collected this year will be donated to the memory of Christopher Dent. If the \$1,000 goal is reached, a gold plaque with Christopher's name will be placed at St. Jude Children's Research Hospital. Math-a-thon is designed to strengthen the students' math skills by providing free materials which supplement their basic curriculum.

Math-a-thon challenges the student to work 200 math problems at home. The problems are designed to be fun, intriguing and a positive learning experience for the child. The children in the area will be seeking sponsors to pledge 1 cent, 2 cents, 3 cents, 4 cents, 5 cents, etc. per problem. That means if a child completes all 200 problems, and you pledge that child 2 cents a problem, then you will donate \$4 to the cause. Please help out and help make Grass Lake reach that \$1,000 goal.

St. Jude Children's Research Hospital is the

Grass Lake News

largest childhood cancer research hospital in the world and its purpose is to provide both medical treatment for desperately ill children and research that will permanently wipe out childhood cancer and other catastrophic diseases. If you should have any questions regarding this program contact St. Jude's directly... Illinois residents call toll free 1 (800) 367-9937.

If you don't have children in the Grass Lake district, but would like to help out, please call Grass Lake School and leave a message for Miss Glessner (312) 395-1550.

Add a new name to the "short cut" hair stylists. Kendall Aaron is working with Sally Hiller at 23422 W. Grass Lake Rd. Look for the revolving barber shop pole and you are there. Appointments, not always necessary, but call ahead to be sure they will have the time to take you in at (312) 395-8876.

Another Grass Lake resident has got herself involved in a new enterprise with "1040" on Wheels!!

Emily Beattie is working with Gary Echard and Debbi Welch with the enterprising idea of coming to you to do your 1040 for the government.

Their base location is 2424 Washington St., Waukegan.

Mark your calendar's for Alyce's Spring Boutique which will be held on Friday, March 14 from 11 a.m. to 8 p.m. and Saturday March 15 from 9 a.m. to 4 p.m. Their last show was quite beautiful and Alyce has indicated that more local artists have joined the troupe. At their Christmas show, our own Sandy LaForge had some beautiful paintings shown. The show will be held at 35 Oak Lane Dr., Lake Villa.

I have, for the past three years ended my column with "Remember to call with your news." I would like to continue to do so, perhaps out of repetition or just convenience, or perhaps because I have adopted it as my trademark. I know in the past, when it hasn't been there, people have called asking what was omitted from my column. At this point in time, I would like to request that you call at a reasonable hour. This is directed to the gentlemen who called last Thursday at 2 a.m. Perhaps with nothing better to do than to annoy my family and myself, by making remarks regarding certain members of the Grass Lake School Board. I would like to invite these gentlemen to make himself available at the next school board meeting to make his accusations in person. I would also welcome his opinions. To me the whole 2 a.m. episode was childish and very petty.

College. His record is now 12-
0 for the year.

As a team the Lake County
College wrestlers placed
eighth in a field of sixteen at
the tournament. Coach Mike
Patrick said that he was
satisfied with the standing
because 12 of the 16 teams
were four year schools. The
team now has a dual meet
record of 7-2. Patrick said
that DeRousse was "in-
strumental" maintaining
this record.

Other Lake County
wrestlers who competed in
the tournament were Ron
Skowronski, of Round Lake,
who placed sixth in the 190
pound class; Randy
Brubaker, of Round Lake,
who placed sixth in the 126
pound class; Bruce Szalay,
of Fox Lake who placed
seventh in the 150 pound
class; and Steve Gust, of
Libertyville, who took seven-
th in the 177 pound class.

the law in 1976. It allows a book authored by a foreign national, either in his/her native language or in English translation and being manufactured outside the U.S., may be imported into the U.S. duty-free.

It further allows that American author who is unable to find an American publisher, may have the work printed abroad and brought into the U.S. without Manufacturing Clause restraint.

In 1982, after a hard fought battle, Bill H.R.-3940 was passed, allowing the extension of the Manufacturing Clause to July 1, 1986. If allowed to expire on July 1, 1986, the U.S. Department of Labor estimates a loss of over 367,000 job opportunities.

Already, many important American industries have become victims of job-stealing foreign competitors.

Four members of Congress, Representatives Barney Frank (D-MA), Hamilton Fish (R-NY), Marty Russo (D-IL) and Ben Gilman (R-NY) have introduced Bill H.R.-3465, which would extend the Manufacturing Clause of the U.S. Copyright Act, permanently.

Without this protection, we can expect a vast quantity of U.S. printing to transfer overseas and allow the unemployment lines to grow.

We therefore, respectfully request your support and that of your readers. Write your Congress and Senate representatives, ask them to support and co-sponsor Bill H.R.-3465.

Let us unite in keeping the U.S. printing

and those 367,000 plus jobs a vital part of America and American industries.

Women Needed

Editor:

Being an environmentalist and a long time supporter of F. T. "Mike" Graham, I am delighted that he chose a woman, Carol Calabrese, to run with him for the two seats up for election on the Lake County Board from Dist. 5.

At the risk of sounding prejudiced, I believe women generally have stronger convictions, more dedication and are less likely to be tempted by the forbidden fruits of politics. We need more women in government.

Open Space Solution

by F.T. "MIKE" GRAHAM

The Open Space Bonds are sold and the final cost figures are in. It is now time to put to rest all those wild, off the wall and ridiculous cost figures promoted by the pro-Cuneo development people to cloud the issue.

At the first public meeting of the Open Space campaign in early July, 1985, Larry Alkire, Libertyville Township Trustee, gave a detailed explanation of the projected cost of a \$23 million bond issue. Alkire's projected cost figures were based on the \$100,000 home, assessed at one-third minus the \$3,500 homestead exemption and based on 9 percent interest rate. He ran those figures out including the allowable property tax deductions for Federal income tax purposes, using a 30 percent deduction that will include the vast majority of property owners in Libertyville Township.

The original total projected cost on the sample home was \$167.50 annually minus the 30 percent for Federal Tax for a 20 year bond issue or a net cost of \$117.25 each year. The bond issue is for only 18 years not the projected 20 years, and the interest rate is 8.25 percent not the projected 9 percent.

The first year payment will be \$141.00 on the sample home, the second year will be \$133 and the remaining 16 years will be \$160 all minus the allowable Federal Income tax deduction on those amounts.

In the final analysis, the bond issue was 1.7 percent lower, however, the cost is 14 percent lower than projected, or 31 cents a day on the sample home. We weren't guessing and it wasn't just luck our cost projection were right on the money concerning the cost of the bond issue. And time will prove that our projected land costs are just as accurate.

Our original plan was to hold one public hearing on the entire Open Space Plan on March 10. However, the large auditorium at Libertyville High School is not available and we anticipate that several hundred people will wish to attend.

Our plan now is to hold two public hearings, the first on March 3 and the second on March 10 in the Libertyville High School Studio Theatre.

As all during the campaign, we are anxious to sit down and publicly discuss our Open Space Program with anyone. Hopefully all public office holders will use their time and energy finding a positive way to improve this first in the State "publicly" approved plan.

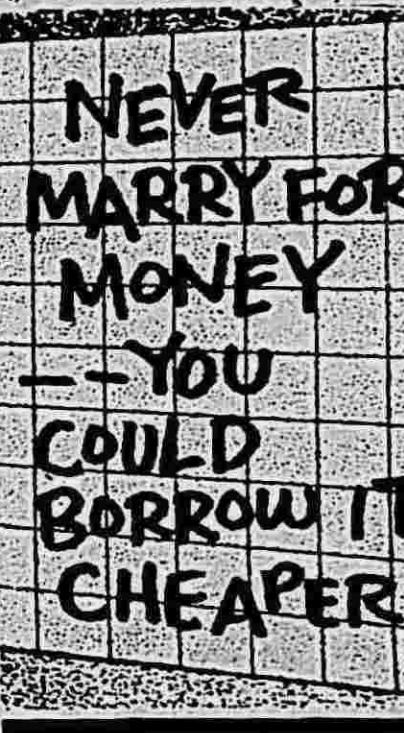

Opposing it and throwing trouble-making obstacles in our way will only cost the tax-paying public more.

In conclusion, this Open Space Program will make Libertyville Township the garden township in all of Northeastern Illinois.

Editor's Note: Mike Graham is supervisor of Libertyville Township. The Libertyville Open Space Plan is regarded as a revolutionary way of dealing with public problems associated with development of large tracts of land.

How to get the U.S. Government to help finance your retirement.

It's possible with a First National Bank of McHenry Individual Retirement Account (IRA). Because while you're building your retirement savings, you get a break on your income taxes.

Here's how it works.

Every year you can contribute up to 100% of your annual income - to the maximum of \$2,000.00 (\$2,250.00 under certain conditions) - to an IRA plan at First National Bank of McHenry. Even if you are presently covered by a pension or profit-sharing plan where you work, you're eligible for an IRA.

The money you contribute each year to your IRA is deductible from your taxable income. And taxes on all the money on your IRA are deferred until you begin receiving benefits.

Take a tax break now.

What's more, if you open your IRA plan with us before April 16, 1984 you can claim the deduction on your 1983 income tax return. And every year after that you can deduct that year's IRA contribution from your annual taxable income.

Get more for your money. And your retirement.

High interest rates are available for IRA's. For example, at First National you can invest your IRA contribution in our new 1, 2, or 3 year certificate of deposits and receive interest, compounded quarterly, that is indexed to U.S. Government Treasury Notes.

The minimum deposit is just \$500.00. The interest rate at which these certificates are issued changes weekly. So, just call us for this week's rate.

Ask and you'll receive.

We realize that IRA plans may be confusing. And your first impulse may be to forget the whole thing. But don't. You owe it to yourself to get the best plan you can.

So come to see us about your IRA. After all, we're bankers. We can tell you about these plans. And help you get everything the law allows.

The more you know about banking, the better for both of us.

Hospital Seeks Volunteers

At St. Therese Medical Center, volunteers are found contributing valuable services to the healthcare team.

Volunteers lend helping hands in many of the service areas throughout the large and modern medical center. They staff the Little Flower Gift Shop; provide assistance to visitors and patients at the information desk; and visit the nursing units offering gift-cart shopping for personal care products, magazines and a variety of

special items.

Some work in special patient units such as the STAR Hospice, pediatrics/young adult area, and the Skilled Nursing Care section.

The medical center's volunteer corps also includes a Junior Volunteer group for interested teenagers. These young volunteers help out in the business office, food services department, deliver flowers and cards to the

patients, and provide assistance in other service areas.

According to Bonnie Fremgen, vice president, "the volunteer program is in need of additional volunteers due to our expansion program into other service areas."

Adults or teens interested in joining this group of caring individuals should call Anette Burkey at (312) 360-2228.

Toothpick Spurned Except In Cooking

I've learned the toothpick is on the way out. The number of American manufacturers has dwindled to three, partly because of cheap imports.

Alas, Taiwan has even picked on the symbol of the martini drinker.

Dentists scorn the object, recommending floss or blunter wooden instruments. Better restaurants force the diner to ask for a toothpick. I usually take two to go.

The toothpick is as old as civilization—a solid gold one recently was found in an Egyptian pyramid.

Did you know that one birch tree can yield about 400,000 toothpicks? I keep a box in my cupboard because they come in handy when securing roulades.

For example, when I prepare Chicken Kiev, I use two per roulade. I scorn twine or string.

When I'm hungry for the Russian dish, I experiment with the filling except for the butter. I made one batch with green onion and parsley. I also used tarragon leaves. You can use chives.

I always warn family or guests to remove the toothpicks. I also say I have some fresh ones after the meal, but I don't tell my dentist.

Chicken Kiev

- 4 Chicken breasts, skinned, boned and halved
- Salt and black pepper to taste
- 1 Cup sweet butter, cut in eight long pieces and frozen
- 4 Teaspoons minced parsley

- 1 Teaspoon tarragon leaves, crushed
- 1/4 Cup all-purpose flour
- 2 Eggs, beaten
- 2 Teaspoons water
- 2/3 Cup fine dry bread crumbs
- Vegetable oil

Pilot Light GREG MELIKOV

Pound chicken into eight thin cutlets. Sprinkle boned sides with salt and pepper. Place in center of each cutlet one piece butter, 1/2 teaspoon parsley and 1/8 teaspoon tarragon. Fold in sides, roll up, secure with toothpicks and refrigerate. In three shallow dishes, place flour, egg combined with water and bread crumbs. Dredge chicken in flour, dip in egg and thoroughly roll in bread crumbs. Place on large plate and chill three hours. Heat oil one-inch deep in large sauce pan; deep-fry chicken four cutlets at a time on medium high heat, five to seven minutes or until golden; drain on paper toweling and keep warm. Cook remaining cutlets. Serve immediately. Serves four.

Hospital Staff Can Lessen Child's Fear Of Surgery

It could be a scene out of a science fiction movie—monitors beeping, intense white light and numerous masked faces hovering about. To many adults, this scene is a comfort, a professional medical team ready and equipped to perform delicate surgery. To a child, however, these sights and sounds can be terrifying, especially for a first-time visit to hospital surgery.

"We do not want the children who come to Victory to have a traumatic experience," said Virginia Damos, R.N. and director of surgery for Victory Memorial Hospital in Waukegan. "Our staff makes a tremendous effort to make the child more comfortable and unafraid both before and after surgery. Emotional well-being is extremely important for the child's recovery."

Hearing that an operation is necessary, leaving home for a hospital stay and surgery, and even recovery can all be upsetting if a child's special needs are not understood. In recognizing these special needs, Victory Hospital established pre-operative tours (called Operation Owl) for both children and their parents.

The surgical team also becomes involved long before the surgery date. "An anesthesiologist (M.D.) and anesthetist have a unique opportunity and responsibility to make the operative experience pleasant," says Conrad Halteman, C.R.N.A., and director of anesthesia for Victory Hospital. "Along with providing safe medical care, the anesthesia team is

in a position to talk to the child, comfort as needed and introduce gently, the equipment we will be using for induction (administering anesthesia). I make it a point when I meet a child, to explain exactly what is going to happen as he or she "goes to sleep."

"The sleep comparison allows the child to identify with a pleasant experience. Little touches also make an extremely big difference to a child. They can bring a favorite teddy-bear, doll or security blanket to surgery for support, and even receive anesthesia sitting-up, hugging the nurse for security, if it will make for a more comfortable environment," he added.

For many years, psychiatrists and other physicians have emphasized the emotional stress experienced by hospitalized children and the danger of its lasting aftereffects. Reducing emotional stress is also a critical responsibility for the parents. Children are acutely aware and "feed off" the fears of mom & dad.

"The child must be dealt with honestly," emphasizes Dr. Iftikhar Ul Haq, medical director of anesthesiology at Victory Hospital. "Parents frequently mislead children, even though they have the best intentions. Hiding the child from the truth or distorting it to save tears is in the long run poor judgement, for the child should know what to expect before and after the operation. That is why the anesthesiology team has had pediatric training, to work as a team approaching surgery positively, in a calm cooperative spirit that children and parents can

understand."

Victory's pre-operative tours have proven to be a resource for children and their parents. "My 5 year old daughter participated in 'Operation Owl' the day before her surgery," stated Jack Pichler of Gurnee, father of Kristen Pichler. "During the tour, Kristen was somewhat shy and seemed concerned about what would be happening to her. On the tour she met several members of the of the surgical staff, and even rode up and down on the operating table. On the day of surgery she was no longer shy and recognized the friendly faces of the nurses and others. She felt very 'at home,' as if what she was going through was the most natural thing in the world," said Pichler.

To the anesthesia staff, the greatest comforting force for parents is a demonstration of the advanced equipment available to their children. "Once anesthesia is given, monitoring the child's vital signs is important," explained Halteman. "Victory has advanced equipment that can monitor blood pressure, temperature, heartbeat, and carbon dioxide simultaneously—very important for safe surgery. Induction procedures are also supervised by a physician, a system not all hospitals provide. Every patient also meets with the anesthesiologist, prior to surgery."

Postoperative support is also significant for a child's complete recovery. Again, an honest portrayal of what pains might be experienced.

Victory Hospital Has 'Smokeless System'

Stop smoking in five days—no butts about it...by taking the "Smokeless System" being offered at Victory Health Outreach Center, 121 E. Grand Ave., Lake Villa.

The Smokeless System is a total lifestyle approach to smoking cessation that consists of behavior modification, stress management, life coping skills, and weight control. It addresses cigarette smoking from psychological, sociological and behavioral perspectives.

This program, designed by Dr. Don Powell from the American Institute of Preventative Medicine, has been commended in the 1983 Surgeon General's report on smoking and health as being a "particularly successful" stop smoking program. Its success rate is two to three

times that of other programs.

Victory Memorial Hospital's Respiratory Care Director, Janet Crane, C.R.T.T., R.R.T., is the certified Smokeless System instructor who will present the program. She has been in the field of Respiratory Care for 12 years as a therapist, instructor and manager.

After attending a free Introductory Class, Feb. 5, participants will be offered the opportunity toward "Kicking the Habit" by signing up for the Feb. 10 through Feb. 13 classes. The classes will meet from 7-8:30 p.m. After four sessions, the participants will attend maintenance classes and eventually "Graduate" with their diplomas.

The fee for the Smokeless System is \$140 per person, or

\$100 per person if two people from the same family, club or organization attend. If you do start smoking again after completing this program, you may attend class again at no additional cost.

For more information or to register for the introductory class, call (312) 345-5900.

Southwestern Desert Preparing For Boom

by SHIRLEY and DAN FRIEDLANDER

The southwestern desert around mountainous Tucson with its warm days and cool nights is preparing for a tourism boom.

While the metropolitan population has doubled in the last 15 years to more than 600,000 people, the city has maintained its small town western country friendliness with a flavor of culture that is easy to enjoy.

The area has its own opera company, symphony, scores of art and music studios and galleries, crafts and related activities. All of this is easy to reach in a town laid out to move car traffic with a minimum of pollution that plagues other western cities nestled among the mountains.

The University of Arizona, given to Tucson in exchange for moving the territorial headquarters northward, celebrated its 100th anniversary this past November. The school with its 35,000 students adds a special flavor to the city enhancing cultural and athletic opportunities for residents and visitors.

Tucson with its many attractions in and near the city, many not yet well-known, provides an environment of western culture and easy living, similar to what Fisherman's Wharf in San Francisco or Provincetown in Cape Cod means to the seaman.

Many who come as tourists return to buy a winter condo, time sharing or permanently move here. The electronics industry, education and the sophisticated demands of the Air Force in Tucson create an educated

population, that in a relaxed way demands the very best at affordable prices.

Resort and hotel developers are aware of the opportunities offered by the total environment of Tucson. They have just completed, and are in the midst of building millions of dollars of new hotel and resort space that total well over 1,000 new rooms.

One resort here when the city was less than 100,000 people, deserves special mention because under new management with plans to expand and to upgrade it to its former glory, the Hacienda del Sol holds a special place in the hearts of Tucson residents who have dined, held meetings and parties, married or spent a weekend there.

Its large and finely appointed guest rooms and cottages with carved doors and many amenities, overlook the metropolitan area and beyond from its location in the Catalina mountain foothills. It even has outdoor ovens for baking bread.

The resort sits in the timeless desert where plant life as the 50-foot high saguaro, may be twice the age of the university, and where animals and birds such as the roadrunner and quail populate, and desert flowers adorn the resort.

It has a large library with a stately reading room, a thousand antiques and western and Indian objects that decorate the resort. Inlaid tile patios, magnificent dining room and lounge buildings overlook the city, adding to this natural attraction for Tucson.

Ownership has included residents of Chicago, Cleveland and elsewhere. Started as a girls' school in 1929 for the daughters of American society and wealth such as the Westinghouses, Uihleins of Milwaukee and many New Yorkers, it has housed the families of famous leaders, movie stars and athletes. Plus it provides such recreational facilities as horseback riding for other resorts in the Tucson area.

Superior restaurants of all tastes can be found in the city but perhaps two contrasting ones stand out. One is in downtown Tucson, the El Adobe, where you might dine outdoors with a wide offering of Mexican food; or in another old restaurant, the distinguished Johnny Gekas Palomino Restaurant at Swan and Ft. Lowell Rds., offering perhaps the finest continental dining in the state.

Smart shopping can be found in all of the large and some of the small or specialized shopping centers and individual stores throughout Tucson. Every visitor it seems, brings home some form of western clothes from Cooper's or other specialty shops. The many fashion boutiques, knitwear, foreign clothes, sportswear, accessories and other items seem to have a special look to them in Tucson.

For the athlete there is much that can be done on magnificent golf courses, tennis courts, hundreds of miles of hiking and horseback riding trails, by swimming year around or skiing on 9,100 foot high Mt. Lemmon. And there almost always seems to be sports to watch at the University of Arizona or professional golf, car racing and even baseball with the local professional

team or with the Cleveland Indians who headquarter here in the winter.

The Tucson area offers many museums, some traditional and others different from anything you might have seen before. Some of these are the Sabino Canyon, east of the city that offers geographical and biological exhibits of life that can be found in the area and features tram rides and other attractions. To the west is the Arizona Sonora Desert Museum that emphasizes the living animals and plants of the desert.

There is a planetarium to tour on the University of Arizona campus and nearby also available for visiting on the Mexican border is Kitt Peak Observatory. You might want to visit the two century old Mission San Xavier Del Bac or the "White Dove of the Desert" located on the nearby Papago Indian reservation.

You can drive to one of the largest air museums in the country or tour the nearby large and interesting Air Force base.

You may want what we call direct western atmosphere. In that case, roam into Old Tucson where many of the famous western cowboy movies have been made for decades; "real" shoot-em-out cowboy fights and lots of exciting activities await your visit here.

Your hotel most likely will offer a number of tourism guides and a thick weekly cultural newspaper, all free, plus detailed information on many of the attractions in the area. You can also obtain information in advance of your trip at the Metropolitan Tucson Convention & Visitors Bureau at 450 W. Paeo Redondo, Tucson, Ariz. 85705, or call (602) 624-1817.

CLC Ranks 7th

Out of 79 Registered Nursing programs in Illinois, the College of Lake County program ranked 7th in 1985, according to a report issued by McGraw Hill.

"The results of the National Council Licensure Examination (RN) indicate the on-going excellent performance of our students," commented Dee Swan, CLC director of nursing education.

The report summarizes performances of "first time test takers" throughout the country. CLC grads scored well above the state and national mean scores.

One of the graduates, Barbara Malone now of Valdosta, GA, achieved a perfect score. A total of 86 percent of CLC Class of 1985 nursing graduates passed the licensure exam on the first attempt.

How can the Joneses afford a week on the Gulf Coast?

Sit down to a seafood dinner in any one of our waterfront restaurants and the couple next to you will probably be from Illinois. How can they afford it? Easy. Our hotel and motel rates are lower right now because it's off-season. So a lot of your Chicago neighbors are here enjoying the season we call winter — although you might call it spring. Our sun shines bright year round. So you can play golf on our 11 courses. Eat fresh seafood. Or stroll on the beach in just a jacket. Our free planner shows you just how little it costs. ☐ Send for yours today. Then just act smug when your neighbors ask how you can afford it.

Hustling Corsairs Eye 2 Wins This Weekend

When you play hard, you win your share of games. That's the theory and that's the way Carmel is approaching every game as the season heads into the stretch drive.

The Corsairs feel by maintaining a high level of intensity that they can add two notches to their belt this weekend with a game at

Niles Friday night, Jan. 31, against Notre Dame and a home contest Saturday against Holy Cross.

Both are East Suburban Catholic League games and two wins would put Carmel above .500 in the conference.

The "play hard" theory didn't work Friday night, Jan. 24, against St. Viator because the Lions played

almost perfect basketball for four quarters defeating Carmel 67-55, and pinning the fifth defeat on the Corsairs who have won four times in league play.

With all-out hustle and outside shooting, the Corsairs were only behind by one at 27-26 when St. Viator went on a 13-1 spree in the second quarter when they hit nine

out of 10 shots from the field and were perfect in 10 freethrow tries.

By putting up 28 points in the second quarter St. Viator went into the lockerroom with a 40-27 halftime lead.

The Lions also turned loose a tenacious defense that shutdown Center Rob Graham and forced Carmel to rely on outside shooting

from Rod Whittier, George Frances and Rodney Lambright.

Carmel closed to six points twice in the third quarter when the Corsairs actually outscored St. Viator 14-12, but they failed to tally on three consecutive forced turnovers. That was the kind of night it was for Carmel.

Peter Altenberger, the husky Lions forward, topped all scorers with 21 points. Whittier paced Carmel with 18.

The Carmel sophomores returned to winning ways after three consecutive losses with a 43-42 overtime victory. Their record now is 15-3.

Warren Widens NSC Lead

by STEVE PETERSON

If Warren High School's boys basketball team jumps out to big early leads against Stevenson at home Jan. 24 and at North Chicago Jan. 25, don't expect coach Darrel Bader to necessarily jump for joy.

That's because the Blue Devils, while winning two North Suburban Conference games last week over Antioch and Libertyville, held on to an early lead only against Libertyville.

"Sometimes it isn't good to have things so easy at the start. They had a distant look in their eyes. We were really lax at times," Bader said after his team escaped with a 43-42 home win over Antioch Jan. 17.

The next night the Blue Devils again had a seven-point halftime lead. But against Libertyville, the lead grew until the game ended a 59-40 route.

"We were a lot more into the flow tonight. We concentrated a lot better and did a lot of things a better,"

Bader said after the Jan. 18.

With the two victories, the Blue Devils will be entering the second round of NSC action with a 8-1 league mark, 11-4 overall. Antioch came back to defeat Stevenson 52-49 in overtime Jan. 18, keeping the Sequoits in second place in the NSC.

The two contests featured two basketball oddities. In the Antioch game, the hosts did not commit a single turnover, leading Bader to comment, "I've never been associated with a game like that." Against Libertyville, the visiting Wildcats did not try a free throw.

Brian Jarrell turned in two strong performances. He led the Blue Devils against Antioch with 23 points, then scored 20 against Libertyville. Russ Nolan tallied a season-high 18 against the Wildcats while Al Davis had 12 points and 10 rebounds.

"We got a real strong game out of both Nolan and Davis," Bader said.

The Blue Devils began the

weekend with an 18-8 edge over Antioch after one quarter. That was the only quarter the hosts won, as Antioch trimmed the lead to 26-19 at halftime.

Antioch gained a 28-28 tie before Jarrell scored two buckets in the third quarter's closing minutes for a 34-30 lead going into the final quarter.

Jarrell also scored two clutch baskets in the fourth quarter, breaking a 36-all tie for a 40-36 lead with 3:21 left.

A Davis free throw made it 41-38 with 1:09 remaining. After an Antioch hoop by David Grindley closed the lead to one, Warren's Joel Elfering gave the hosts a 43-40 cushion. They then allowed Antioch's final basket as the horn sounded.

The Blue Devils led 25-18 at halftime against Libertyville, but the game quickly became a blowout in the third stanza. The lead grew to 40-30 after three and reached 20 points in the fourth quarter.

Crushing The Rams

Panthers Ready For Top-Notch Indians

The Round Lake Panthers got back on the winning track in Northwest Suburban Conference action as they defeated the Grayslake Rams last week and are now preparing for league-leading Marengo.

The Panthers will host the Indians on Friday, Jan. 31. Round Lake is currently 6-2 in the conference, while Marengo is undefeated at 8-0.

Round Lake showed that its county-leading record (15-3) was no fluke against Grayslake as they buried the Rams 70-38.

It was 8-8 at the end of the first quarter, but the Panthers took control in the second stanza and blew the Rams out, leading 26-16.

The second half was more of the same as Round Lake

doubled the Rams 44-22 to make the final 70-38.

Leading the Panthers' scoring attack was senior Frank Ptak with 15 points. He was followed by Doug Sparks and Bob Akers, who both tallied 14. The Panthers' center, Greg Kreitner, was held to seven points.

Grayslake's Tom Castino led the Rams in scoring with 17 points.

CLC Women Come Up With A Thrilling Victory, 66-60

by JOHN PHELPS

The College of Lake County women's basketball team came up with a thrilling Skyway Conference overtime win against the Wright Junior College Rams, 66-60.

With the score tied at 56 late in the game, Chris Peroni sank two free throws to put the Lancers up 58-56, with nine seconds left.

However, Wright refused to back down as Doreen Raspberry sank a base-line

jumper with two seconds left to force the game into OT.

In the overtime, Lake County's defense toughened up as they outscored the Rams 6-2, preserving the victory.

With the win, the Lancers evened their record at 2-2 in the Skyway, 7-7 overall.

"We had a couple of mental lapses, but with our newly acquired guard, Jill Clark, who needs to break in and become a little more

aggressive, our bench should be really strong in upcoming games," stated Head Coach Chuck Shramm.

In her debut as a Lancer, Clark connected on 1-3 field goals in the time she played.

Lisa Tylkowski and Denise Cadeau led Lake County with their hot shooting, scoring 20 and 19 points respectively.

Jennifer Munda also added in the Lancers win by scoring 10 points.

Rams Trying To Recover After Round Lake Bout

by DAN G. O'SHEA

The Grayslake Rams will be trying to recover from a Northwest Suburban Conference disaster suffered at the hands of Round Lake when it takes on Wauconda Friday, Jan. 31, on the road.

The 70-38 loss at Round Lake Jan. 24 gave the Rams a 3-4 conference record. They are 7-9 for the season and have another game scheduled Wednesday, Feb. 5 against visiting Lake Zurich.

The Rams kept up with the Panthers throughout the first quarter and for part of the second half, but then Round Lake took a five-point lead and started to pull away until they managed to chalk up 30 points in the fourth quarter to end the rout.

The Rams may have been able to keep up early-on because they stopped Frank Ptak, one of the top scorers in Lake County, from scoring until the middle of the second period. They held him to 15 points for the game, which is under his average.

The Panthers benched

Ptak in the first quarter after he got two quick fouls. "We did a lot of boxing out, but he made some excellent adjusting," said Grayslake Head Coach Greg Groth.

Although the Rams shot only 23 percent from the floor, guard Tom Castino led all scorers with 17 points, including 5-5 of free throws. Grayslake excelled at the line, sinking 13 of 15 free throws.

Castino still leads the Rams in scoring for the year with 213 points, an average of 14.2 per game. He's also the top free throw shooter at

69 percent.

Jeff West is second on the team in scoring with 94 points, followed by Kelly Bye with 86, Daryl Mackenthun with 82, Bill Sangbusch with 70 and Ken Menton with 66 points.

In the midst of defeat, Coach Groth is very optimistic about the rest of the season. "There are still a lot of games left. If we don't fare well for the rest of the season, we'll be ready for the regionals. We still have the desire to be good and we're not going to quit."

Wauconda Aiming To Shut Out Grayslake

The Wauconda boys varsity basketball team will be shooting for a win in their game against Grayslake at home at 7:30 p.m. on Friday, Jan. 31.

The Bulldogs lost to Lake Zurich with a final score of 54-47 on Jan. 25. Wauconda has now dropped to 0-7 and 1-15 in the Northwest Subur-

ban Conference League.

Wauconda began scoring only in the last minute and 17 seconds of the first quarter. They came to within six points to Lake Zurich during the second quarter.

Lake Zurich brought the score up to 30-16 at the end of the second quarter when they converted four turnovers into layups in the last few minutes.

Wauconda came within three points during the final minutes of the game before losing to Wauconda.

Ice Capades

The Wauconda Park Dist. is planning a trip to see the Ice Capades in Chicago on Wednesday, March 19. The cost of the trip is \$11.50. A bus will leave from the park district building at 6 p.m.

Votino Selected

Dawn M. Votino, formerly of Round Lake Beach, is currently attending Seminole Middle School in Ft. Lauderdale, Fla. She has been selected to play in the All-County Band (Broward) of Ft. Lauderdale. Votino is the first chair percussionist in the area's Honor's Band and holds the same position in her own school band. She is the daughter of Mr. and Mrs. Nick A. Votino.

Win - Loss Weekend Keeps Sequoits Tied

The Antioch Sequoit cagers, tied for second place in the North Suburban Conference, are due to meet the eighth place North Chicago Warhawks on Jan. 31 at home.

The Antioch team edged the Niles-North Vikings, 59-57, as 5-7 guard Pat Bruks gave the Sequoits a narrow two-point lead with a layup that sank just two seconds

before the final whistle blew on Jan. 24.

Bruks scored from the inside on an inbounds pass from Mike McGrain.

It was the Sequoits on top by 15 in the fourth quarter when the Vikings made a comeback and took a two-point lead.

An assist by Bruks, who went the length of the floor, to center Dave Grindley who

sank a hoop, tied-up the score.

On Jan. 25, Mundelein did the same to Antioch, winning a tight contest 66-64.

The one-win, one-loss weekend keeps the Sequoits tied for the number two conference spot with Lake Forest and also gives them a 10-8 overall record for the season to date.

Lake County Race Is Best

The Lake County Marathon/Half-Marathon has been named the Best Large Race-1985 by the Chicago Area Runners Assn. (CARA).

The award was presented at the CARA Annual Banquet Jan. 18. It recognizes overall excellence among races for 1,000 participants or more. CARA is an organization of Chicago-area runners and runners' clubs, dedicated to promoting running and quality races.

Barry L. Seiller, M.D., chairperson of the Lake County Marathon/Half-Mar-

athon, accepted the award. This is the second such honor for the Lake County event, which won the CARA Best Small Race award in 1981.

"The Lake County Marathon has a consistent reputation as an enjoyable race," said Keith Holzmüller, chairman of the 1985 CARA Awards Committee. Also according to Holzmüller, the race attracts good runners and is well organized, with an abundance of volunteers.

The race course, which winds through Chicago's suburban north shore from Zion to Highland Park, is

scenic and clearly marked. Medical assistance is well staffed and managed.

The Lake County Marathon/Half-Marathon is an annual event to benefit Illinois Special Olympics. A 10K race has been added for 1986 as well as a corporate relay.

The 1986 Lake County Marathon is scheduled for Sunday, April 27. Complete information, including entry forms, is available from the Lake County Marathon office: 636 Ridge Rd., Highland Park; phone (312) 831-9374.

Lancers Win Battle For Skyway's Top

by JOHN PHELPS

The College of Lake County men's basketball team took over first place in the Skyway Conference with a very remarkable performance over Wright Junior College, 77-72.

The Lancers came on to the court fired up as they combined great passing, ballhandling and rebounding to take 25-11 lead at the 12 minute mark of the first half.

Wright slowly battled back with their inside penetration and size as they trailed only by 10 at halftime, 39-29.

Greg Washington and David Tucker sparked the Lancers in the first half by scoring 24 of their 39 team points. Wright came out destined to win as they cut CLC's lead to two points at the 10 minute mark.

However, the Lancers were not to be denied as Head Coach Dr. Bruce Smith commented after the game, "We put together a surge that puts us up by nine with six minutes left and our good execution of our delay game and free throw shooting preserved the win; overall, it was a great win on an outstanding team effort."

The leading scorer for the game was Greg Washington with 26 (11-17 FG, 4-5 FT),

followed by David Tucker with 16.

Art Baker and Dave Sitz connected on 13/15 FT's (over 80 percent) throughout the game, keeping the Lancers ahead the entire game. Baker had 15 and Sitz

12. Crashing the boards was Mike Kloberdanz with 16 and Greg Washington with 12.

The victory put CLC alone atop the Skyway with a 5-0 mark, while Wright fell to 4-1. The Lancers are 11-8 overall.

Mustangs To Shoot For More Wins

The Mundelein boys varsity basketball team will take on Stevenson in an away game at 8 p.m. on Friday, Jan. 31, and Niles North at home at 7:30 p.m. on Saturday, Feb. 1.

The Mustangs beat Antioch by two points with a final score of 66-64 on Jan. 25,

but lost their game against Zion-Benton 52-59 a day earlier.

TIME OUT!

A Look At Sports Around Lake County

By Joel Wiltberger

It's been a long time coming (decades!) and it has been worth the wait.

Long-suffering Chicago sports fans have seen their hopes raised time and time again over the past few decades; the brass ring was within their grasp only to slip away again and again.

Well it's finally ours—a championship—and I'm sure this is the tip of the iceberg!

I must admit in the earlier part of Super Bowl XX, I was considering a few options I made earlier this week—joining a monastery—catching a plane back to California and hitting the beaches for a couple of months—not going to work for at least two weeks until I could grow a beard.

All these things ran through my mind as the Patriots went up 3 to 0, but vanished quickly as the Bears totally dominated the game en-route to one of the most lopsided Super Bowls in history.

I'm still in a state of shock as I'm trying to write this column. Later this evening it will sink in—No more "Wait 'til next year!"

I hear through the grapevine that the Cubs are 15 to 1 in Vegas. Anyone going out there in the next month or so, give me a call.

A LOOK AROUND THE COUNTY!

Round Lake (6-2 in conference and leading the county at 16-3 overall) will host conference leader Marengo (8-0) in a must game Friday night in Northwest conference boys basketball.

Warren (9-1 in conference and 13-4 overall) will be trying to extend its North Suburban conference lead hosting Niles North on Friday and Fenton on Saturday. The Blue Devils look solid and are coming on strong.

Lake Zurich (7-0 in conference 12-1 overall) continues on a roll in Northwest Suburban girls basketball.

The Libertyville girls (9-0 in conference), alone on top in the North Suburban, look too tough to handle.

A LOOK BACK:

In 1964 the Wauconda Bulldogs, led by conference scoring leader Mike Freund's 23 points, hammered Antioch 57-41 (revenge an earlier defeat by the Sequoits) and went on from there to win the Northwest Suburban cage championship.

The "Dream Team" of the 1963-64 season included: Forwards—Al Killoran and Gary Schulz, Grant; Bob Caldwell, Grayslake; Bob Miller, Round Lake and Mike Freund, Wauconda.

Guards—Ron Taylor, Grant; Ron Verbeke, Lake Forest and Don Miller, Wauconda.

Centers—Vic Rogers, Antioch and Kim Prescott, Lake Forest.

Low-Income Families Can Qualify For Help

Low-income families in the 32nd Dist. can qualify for federal funds to help weatherize their homes and reduce heating bills, according to Sen. Jack Schaffer, R-McHenry.

State agencies allocate the funds through the Illinois

Home Weatherization Assistance Program (IH-WAP). Sen. Schaffer said the program, which has helped about 100,000 families weatherize their homes since it began in 1977, can help pay for insulation, storm doors and windows, weatherstripping and set-

back thermostats.

Eligibility is based on a family's annual income—for example, a family of four with a total yearly income of \$13,313 or less could qualify.

"IH-WAP will begin to expand this spring by adding furnace modifications and

repairs to its list of energy conservation measures," Sen. Schaffer reported. "The plan expects to help 5,000 families retrofit their furnaces for more efficient use of fuel, thus lowering their heating bills."

Sen. Schaffer said IH-WAP is soliciting new ideas for

weatherization and energy conservation and it is encouraging utility companies to offer incentives and to sponsor conservation and weatherization promotions.

Inquires about the program may be made to the agencies administering the

IHWAP program in the 32nd Dist.:

McHenry County Housing Authority, (815) 338-7752; Rockford Human Resources Dept. CAA (Boone and Winnebago Counties), (815) 987-5782; and Lake County CAP, (312) 249-4330.

Early Entrance For Students

Serious high school juniors and seniors may want to consider beginning their college education early through the Shimer College Entrant program in Waukegan.

Shimer, a private liberal arts college, places a priority on the development of clarity in thought and writing and considers for matriculation any student having the potential to benefit from a Shimer education.

Motivation, willingness to learn and intellectual curiosity are the most important qualifications, and Shimer awards its early entrants a Robert Maynard Hutchins Scholarship in recognition of their academic potential.

The students accepted for early entrance take the same college level courses as all other students at the

college, and receive a 12th grade certificate after successful completion of 30 semester hours of credit courses (2 semesters).

For more information, call Pat Dwyer or the Admissions Office at Shimer College, (312) 623-8400.

Barkhausen Ready For Applications

State Senator David Barkhausen (R-Lake Bluff) has announced that he is now accepting requests for applications for the 1986-87 general assembly scholarships.

Applicants must be residents of the 30th Senate Dist. and have been accepted to the state school they are going to apply for the scholarship to, or

already be attending a state supported school.

Applications are evaluated on scholastic aptitude and also by the Illinois State Scholarship Commission for a financial analysis.

Barkhausen said, "this is always a difficult decision, we get so many worthy applicants but the process is fair and objective with an effort to award the

scholarships throughout the district."

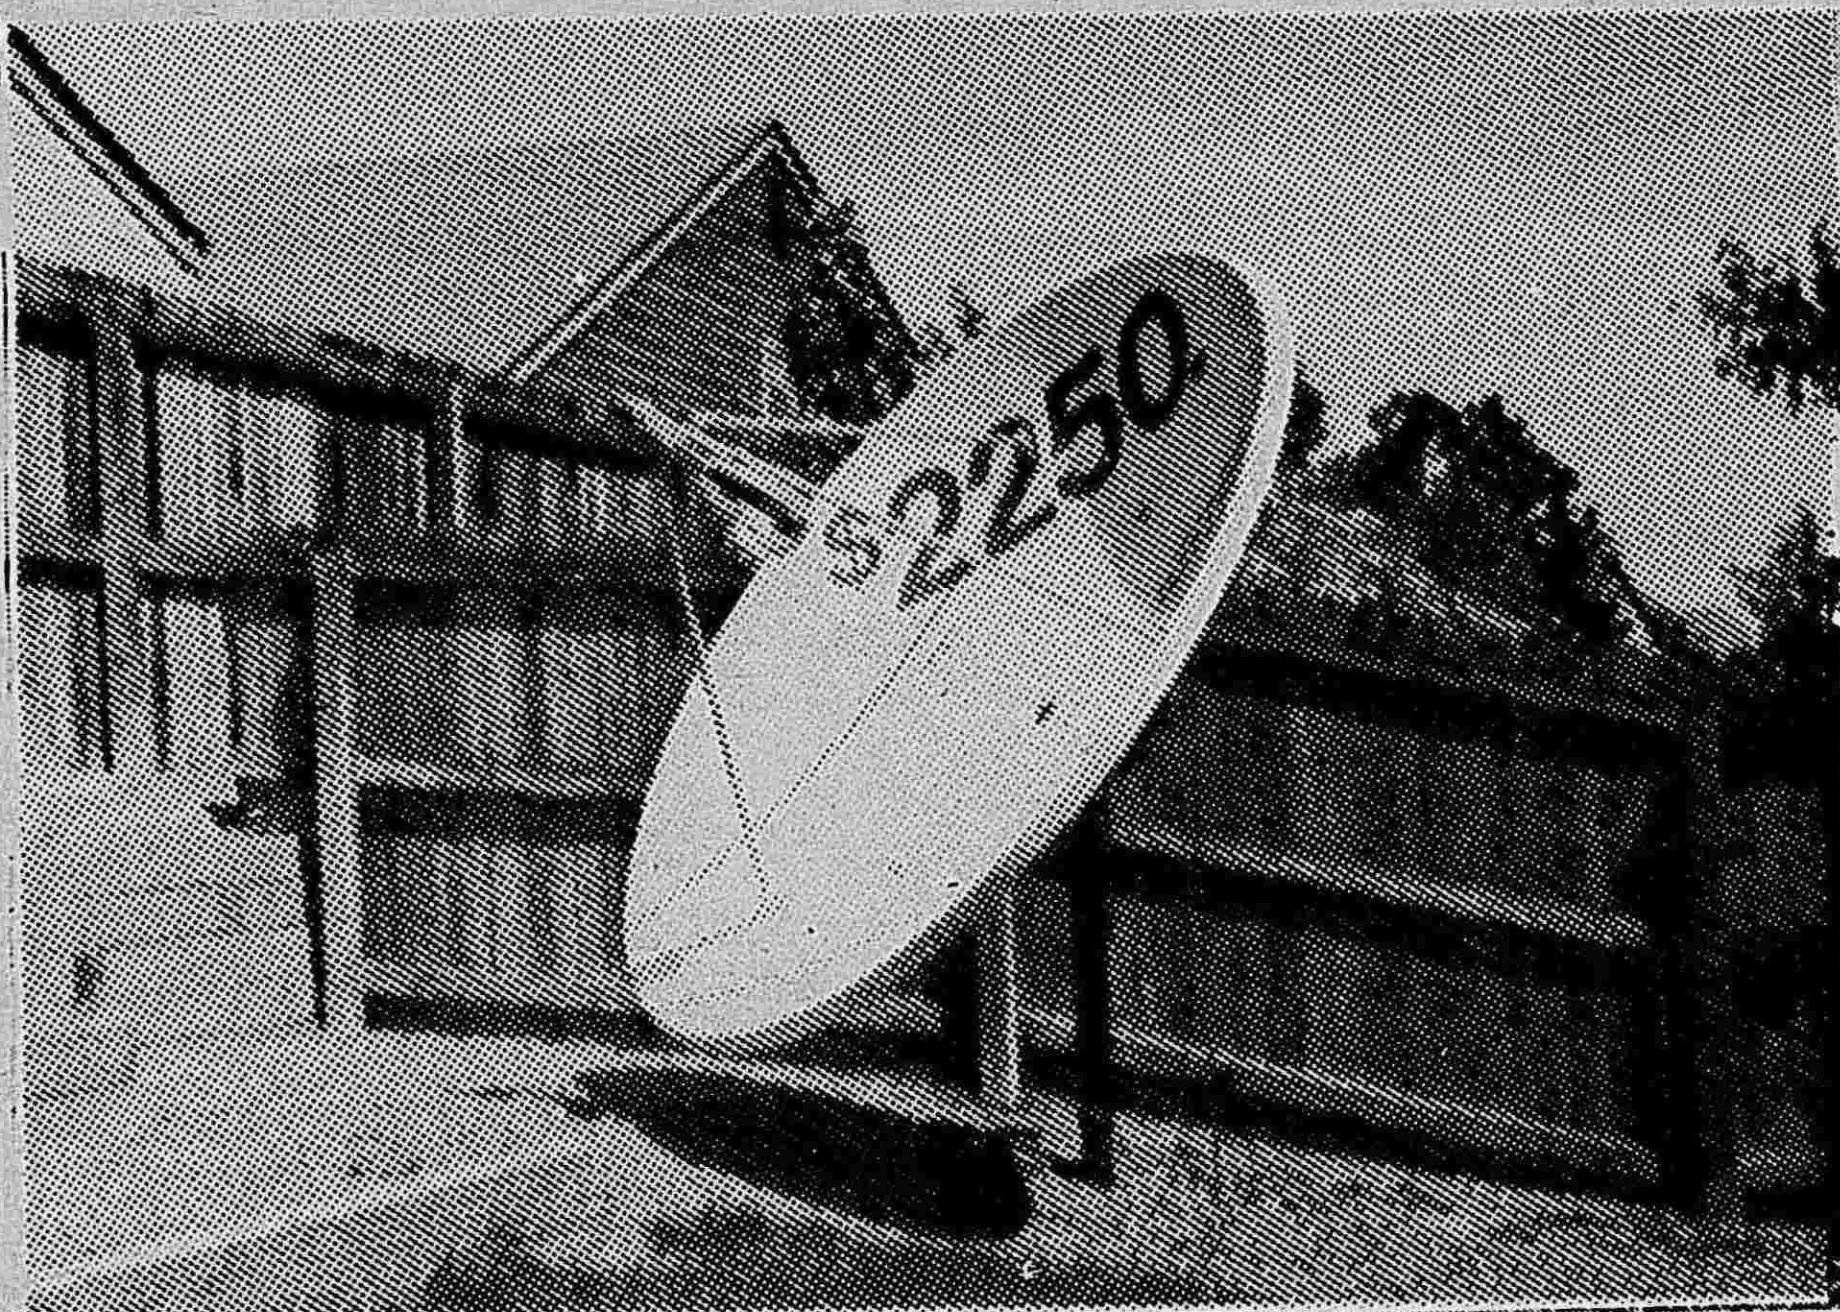

Students who are interested in receiving an application should contact the district office at 273 Market Square, Lake Forest, or phone (312) 234-1630. Applications must be returned by May 1.

Students are encouraged to contact their school counselors and apply for the

many types of financial aid available to needy students. In addition, Barkhausen said, "those students who are graduating in the top 5 percent of their class should contact their counselor and apply for the State's recent Merit Scholarship."

The General Assembly scholarship covers tuition only and many students are eligible for awards which are more generous.

BUYING A HOME SATELLITE DISH IS COSTLIER THAN YOU THINK.

Before you spend your hard earned money on a satellite receive dish you should learn the facts.

This year popular premium services like HBO and Cinemax will begin scrambling their signals with highly sophisticated electronic encryption devices.

And this new technique won't be

limited to just premium services. Many basic cable channels like ESPN, MTV and CNN have announced their intentions to scramble signals.

What does this mean for satellite dish owners?

In addition to paying several thousand dollars for the purchase and installation of a receive dish, it will be necessary

to spend hundreds of dollars on descrambling equipment **plus** pay monthly service fees for each channel received.

Make your decision based on the facts.

This message is brought to you as a public service by U.S. Cable.

Slate Bears Game

A Safe Place Auxiliary is sponsoring its 5th Annual Benefit Basketball Game between the Chicago "Good News" Bears and American Hospital Supply Corporation's "Tomac Tribe," on Saturday, March 8, at 7 p.m. at the Warren Twp. High School Gymnasium, 500 O'Plaine Rd., Gurnee. Doors open at 6 p.m. Refreshments will be available. The "Good News" Bears will sign autographs immediately following the game. Tickets are \$5 for adults and \$3 for children ages 3 through 18, and may be purchased at the door.

All proceeds from this event will be donated to A Safe Place, Lake County Crisis Center. A Safe Place is Lake County's only shelter for women and their children who are victims of domestic violence.

Offer Tests

The Lake County Health Dept. offers blood pressure testing for adults at no charge to Lake County residents.

Individuals will be screened for high blood pressure and those with elevated blood pressure will be referred to a physician for medical evaluation.

For further information, contact the Hypertension Program, Lake County Health Dept., at (312) 689-0716.

Heritage Awareness Meeting

The Community Action Project has formed a new volunteer group called Heritage Awareness. The purpose of this group is to meet the needs of the elderly and shut-ins of Lake County in ways other service organizations don't.

The first meeting was held on Jan. 20 at the CAP office. Those attending were: Cheryl Lennon and Colleen Lennon, Spring Grove; Diane Christiansen and Louise Rogers, Round Lake Beach; Kathy Lennon, Round Lake; Gerri Weber, Ingleside, Loretta Lennon, Volo, and Maryellen Einhorn, Antioch.

Many Lake County residents aren't able to keep up with basic home maintenance due to physical impairments and cannot afford to hire help. Some of these folks don't go to the store or doctor because they don't have a way to get there.

Anyone interested in giving a few hours of their time, or becoming a member of the group is invited to attend a meeting at 7 p.m., on Wednesday, Feb. 12 at the CAP office, 1316 Cedar Lake Rd., Round Lake Beach.

For more information, or if you know of someone who could use this assistance, call Kathy Lennon at (312) 546-7482, from 9 to 5, Monday through Friday.

Amazing! True Facts Of Science!

By Will Lonergan & Matthew Poliakon

Star Trekking?

How far is it to the nearest star?

Fact:

The Sun is the nearest star.

Fact:

Proxima Centauri is our nearest neighbor.

The nearest star, our Sun, is approximately 93 million miles away, and the next nearest star, Proxima Centauri, is about 300,000 times farther away than the Sun. For such distances, miles are not a good measure. Instead, the light year is often used. This is the distance that light travels in one year, moving at 186,000 miles per second - nearly 6 trillion miles! Thus Proxima Centauri is 4.3 light years distant, and Sirius, the brightest star visible from Earth, is 8.6 light years distant. In fact, the stars are so far from us, and the technological and biological problems in traveling to them are so great, that a trip to even the nearest star seems impossible. On a clear night you can see up to 2,000 stars with the unaided

eye. A telescope or binoculars will reveal thousands more, and the total in the universe probably runs into billions! But even so, space is quite empty. If our Sun was the size of a dot over a letter "i", the nearest star would be about 10 miles away. In reality, a round trip to Proxima Centauri would take about 50,000 years if the spacecraft was traveling at 50 kilometers per second (the approximate speed required to overcome the gravitational pull of our solar system). Only if we could travel at speeds approaching the speed of light could a trip to Proxima Centauri be made in the span of an astronaut's lifetime. Until then, we'll have to be content with just watching the stars.

Announce Contest

The Illinois CPA Society will be awarding two \$1,000 scholarships to high school seniors that plan to enter college in the fall and pursue careers in accounting.

Entrants must write an essay—maximum of 500 words—entitled "Why I Am Interested in a Career in Accounting."

All Illinois high school seniors are eligible to par-

ticipate, and judging will be conducted by members of the society's Career Opportunities Committee. The deadline for entry is Feb. 28.

For more information on entrance requirements, contact Stacey Waldron, Illinois CPA Society, 135 S. LaSalle St., Chicago 60603, (312) 346-7957 or (in Illinois only) 800/572-9850.

"I found it hard even to think straight . . .

after my wife died, let alone arrange funeral services. Fortunately, the Funeral Director took care of every detail, like filling out legal and insurance forms, planning the services . . . even making hotel reservations for out-of-town relatives and friends. And there were no hidden costs for all the extra services and personal attention."

Extra service without extra cost is how we help families in need.

"A 10% CD from Skokie Federal
can mean more than 10% elsewhere..."*

Margi Englehardt, Branch Manager of the Downtown Skokie office, advises customers on how to get the most for their money.

"The best advice I give customers who are comparing rates on CD's is to beware that 10% does not always equal 10%. That may sound strange, but because of the various ways of compounding interest, it is often the case.

"For example, because we compound daily, 10% at Skokie Federal Savings means more than 10% at most other institutions who only compound monthly, quarterly, semi-annually or not at all. This means our customers earn the highest yield possible for a given rate on our CD's and savings accounts. And it's the yield, not the rate, that determines how much you will actually earn on an account at maturity.

"Other institutions try to lure savers into accounts with lower yields by offering cash bonuses, high simple interest rates and other gimmicks. At Skokie Federal, it's our policy to let our customers know the bottom line upfront ...the yield on all our accounts. That makes me proud to be a part of the Skokie Federal team."

*10% is used as an example only. Call 674-3610 for current rates on all our CD's.

Students Visit Campus

Potential transfer students from Antioch, including Theresa Weber, 41081 N. Second St., and Sigrid Ferstl, 39861 Harbor Ridge, were among visitors who attended a Jan. 17 On Campus Day at the University of Wisconsin-Whitewater.

On-Campus Days give prospective students and their parents an opportunity to learn more about UW-Whitewater. They can visit with students, administrators, and faculty, receive academic counseling and general orientation, and take tours of the campus, including residence halls and class room buildings. Each academic department has faculty and students available to discuss courses of study.

Weber and Ferstl both plan to study business at the university.

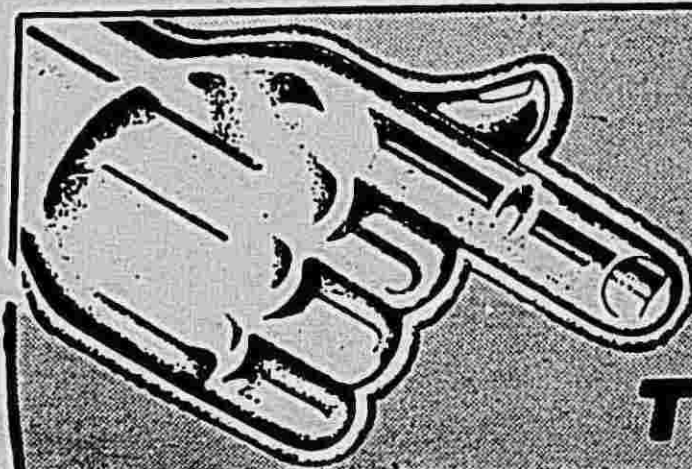

Beg Your Pardon

Matt Weber, center, Antioch High School basketball forward, has been selected "Athlete Of The Week" ending on Dec. 30 for his performance in the two Rockford Tournament victories. Left is cage coach Don Zeman and Kathy Majerowicz, an installment loan and student loan officer of the State Bank of Antioch, sponsor of the weekly award of money that goes to a fund at the high school in the athlete's name. Last week Kathy was incorrectly identified as Dawn Priory, the Antioch-New Reporter regrets the error.

Foreman Passes Buck Back To Linda Hess

by GLORIA DAVIS

According to Lake County States Atty. Fred Foreman, Lake County Clerk Linda Hess has had an answer to the investigation on the 1985 Waukegan vote fraud that she accused Foreman's office of "lagging" and "dragging on" early in January, since last November.

Foreman claims the actual decision on action against the three registrars concerned is up to Hess and his office has been waiting to give her any legal advice on such actions.

Foreman also claims that Hess's office accepted registrations less than 35 days prior to that April election, a violation of the election code.

Hess's office also allowed the Puerto Rican Society and its registrars to continue to take registration until 28 days prior to the election despite advisements that this and other groups were not to be allowed to accept

those late registrations.

Foreman goes further to say that Hess can be accused of obstructing justice and hampering a criminal investigation that was still in progress because she released information on the investigation she received from his office without checking with him to see if it was confidential or libelous.

Foreman said that in reviewing the election code violation actions of the three registrars involved (registrations not in person), his office felt that, "their conduct did not appear to be knowing or intentional act or omission to violate the election code of the State of Illinois, all of the questioned voters were bonafide registered voters."

As a result, the states attorneys office will not seek criminal charges against the three, but because their actions could have resulted in ghost voting registration, Foreman advised Hess to take action against them in

November.

Hess then sent a memo to Foreman asking advice. It was the states attorney's response (results of the investigation he claims his office started immediately upon request) that she released to the public without his permission.

Hess then asked Foreman's office to draft a document revoking the registrars' privileges for her to sign, but failed to inform Foreman whether or not she had asked for their voluntary resignations.

Foreman adds that his office will assist her in this duty "when she makes up her mind."

Foreman also advises Hess to withdraw the registration status of the Puerto Rican Society as an official voting place to such time as an application has been made and approved for its designation as a state civic organization according to state statutes.

Committeemen In Avon Reject Litwiler 11-4

by JOHN STEINKE
(Political Columnist)

Avon Twp. Republican precinct committeemen endorsed Waukegan Village Clerk Venita McConnell for the GOP nomination for Lake County Clerk in the March 18 primary.

McConnell is engaged in a tight race with Dist. 4 County Board Rep. Donna-Mae Litwiler of Ingleside for the county clerk's nomination.

In a Jan. 13 secret ballot, Avon committeemen recorded 11 votes for McConnell and only four for Litwiler.

The vote damaged Litwiler's candidacy because Avon is the most populous township in Dist. 4, which also includes Antioch, Grant and Lake Villa Twp. in Western Lake County.

Since 1980, Litwiler has been a County Board representative from Dist. 4.

Choosing McConnell suggests that many Avon Twp. committeemen are unimpressed with Litwiler's

political credentials and her electability to the county clerk's office.

Litwiler's candidacy suffered a second reversal in Dist. 4 when Lake Villa Twp. Supervisor Dorothy Thompson issued a strong endorsement for McConnell. Last April, Thompson ousted Fred Popp from office. She garnered 71 percent of the vote to only 29 percent for Popp in her successful campaign for township supervisor.

McConnell has gained two major political enclaves in Litwiler's home territory with her endorsements from the Avon Twp. GOP organization and Lake Villa Twp. Supervisor Dorothy Thompson.

Whoever wins the Republican nomination for Lake County Clerk in the spring primary will oppose Democratic incumbent Linda Hess in the Nov. 6 general election.

Hess is running for reelection to a second term. Presently, she is the only

Democrat holding countywide office.

The last Republican to occupy this position was Truman Gerretsen. In 1970, Gerretsen was defeated for reelection by Democrat Grace Mary Stern of Highland Park. Stern served three terms before Hess was elected as her successor four years ago.

Presents Award

Daniel FitzSimmons, co-chairman of the I.A.P.D. and I.P.R.A. Joint Publication Committee, presents Patrick R. Wilson, Lake County Forest Preserve Dist. commissioner, with an award for his article, "Forest Preserves Recreate Beauty and Resources" at the state convention.

Income Tax Seminar Set

The Internal Revenue Service, in conjunction with Lakeland Newspapers and the College of Lake County will be sponsoring an income tax seminar on Wednesday, Feb. 26, starting at 7 p.m.

The seminar is strictly informational and will be

held on the CLC campus. The guest speaker will be Sallie Goding, an IRS revenue agent.

Goding is a resident of Gages Lake and has lived in the Lake County area for 25 years. Aside from being a revenue agent since 1980, she

also spends some of her time as a teacher at the college.

She received her bachelor's degree from Loyola University in Chicago and is now a certified public accountant.

The seminar will provide general information.

Offer Programs

The education department at the St. Therese Medical Center is offering free community health education programs each Thursday throughout the new year from 7:30 to 8:30 p.m. Two more programs will be presented in January.

"Back to the Basics on Back Care" will be the program on Jan. 23. Eight out of 10 people experience back pain in their lifetimes and the program will offer ways to prevent back pain as well as ways to decrease the pain if it occurs. The speaker will be Pam Wright, RPT.

The program slated for Jan. 30 will be "Organ Donation-A Gift of Life." Deborah Athanas, RNC, BSN, will present the program about how to donate organs and also explain the need for organ

donation in the community.

Registration is requested for all Thursday evening programs presented in the education department of the St. Therese Medical Center. To register, call the department at (312) 360-2702. Free parking will be provided in the parking garage at the medical center.

55 Plus Get Job Aid

Older workers who participate in the Senior Community Employment Program work part-time in day care centers, conservation projects, schools, hospitals and fire prevention centers, among others. Participants in the program are jobless, low-income persons who are at least age 55, according to a U.S. Dept. of Labor fact sheet.

Need Disposal Answers

Instead of fretting and stewing over minutia, besides fighting about who the next chairman will be, members of the Lake County Board should and could take a more assertive role in finding new places and ways of disposing of the mountain of garbage society produces every day.

Considerable waste generated hereabouts regularly is dumped in a landfill west of Milwaukee. This doesn't make much sense considering that there ought to be suitable places to dump in Lake County at considerably less expense. At the same time, officialdom should be working hard at ways to take advantage of advanced disposal technology, like incineration and recycling plants.

Individual villages are in no way able to pursue new methods of disposal. The county can do this in our opinion, and it is fitting and proper for the County Board to take the

leadership in organizing consortiums of local governments.

The Solid Waste Advisory Committee has been moving in this direction and deserves the encouragement of all concerned citizens to move ahead with all due haste.

DuPage County operates two major dumps and it's high time that Lake County take a renewed vigor at getting in the disposal business. Citizens in rural Newport Township maintain an active watchdog group to headoff expanded landfilling. Granted that no one likes a garbage dump next door, however, common sense at the same time dictates that the problem be faced. This is where the county comes in.

Disposal of solid waste deserves a high priority. Government solutions can't come fast enough because there isn't much time left at the rate existing facilities are being utilized.

All-Day Kindergarten

School officials, and parents, from what we can tell, both are looking upon the opportunity for all-day kindergarten in the public schools as a mixed blessing.

In the sweeping State Education Reform package adopted in 1985 in the Illinois General Assembly, permission was granted schools to institute all-day kindergarten with state aid to underwrite additional costs.

Academics in education long have held that all-day kindergarten is a vital adjunct to early education. The all-day kindergarten provides a partial answer to working mother problems. Interestingly, all-day kindergarten is "old-hat" to a number of parochial schools which have run kindergartens for years without fanfare.

Educational benefits of more and earlier schooling, particularly for bright and more mature youngsters, are self evident. Certainly, the "graduates" of day schools are ready for kindergarten all day.

Where the rub comes for school officials is changes in the state law regarding starting age which now provide for kindergarten entrance at virtually any age if the child can pass a test. Many superintendents and principals feel sensitive to potential parent pressures that will be grounded more in economic needs of the family than what's best for the child. Another point of irritation administratively will be running two kinds of kindergartens, one all day and the other that meets the traditional half-day session. All educators, by the way, are in agreement that a half-day kindergarten still satisfies basic educational needs.

From a practical point of view, the experiences of Fox Lake Public Schools, where the all-day option is being given a hard look, underscores the fact that all-day kindergarten may not be as attractive as might be expected. Parental interest in Fox Lake can be described, at best, as lukewarm.

Normalcy Returns After Good Times Of Bearmania

by BILL SCHROEDER

Now that the Bears are Super Bowl XX champions, life, it can be presumed, will return to normal.

Bearmania and all the Super Bowl hoopla has extended the good feeling and relaxation that settles in about Thanksgiving and normally disappears after Jan. 1. That means that all of us had about three weeks more than usual to shove aside our problems and cares while being involved in important things like pulling the Bears through to victory.

So, it's back to reality, folks. All the fun is behind us and what we have now are all those wonderful memories to cherish of that ringing 46-10 rout of the New England Patriots.

Sociologists and psychologists are having a field day explaining how Bear success is more than a sports phenomenon. OK, guys. That's what you get paid for. Looks like the tremendous season for the Bears will be getting attention in places other than the sports pages for quite some time.

Meantime, will someone tell me what happened to Walter Payton? Walter was the forgotten man when it came to adding up Super Bowl XX exploits for the winners. My private opinion is that Payton's so-so performance is an indication that Super Sunday marked the beginning of a new era for the Bears and all their youthful talent. Payton was a key man in making it all happen, but others will be in the spotlight in the future. Remember, Wonderful Walter is the old man on a young team.

Yes, following the Bears this season has been fun, both on and off the field. Is there anyone among us who hasn't brushed shoulders with a genuine Bear or heard the yarns about, "Otis is my neighbor," or "My cousin sold the Fridge's wife a fur coat," or "Dave stops here for gas all the time" or "We saw the Ditka's in church Sunday."

It's been fun. Back to reality.

GREAT SPOT—Supervisor Mike Graham of Libertyville Township is elated that he has the first ballot position in his race for the Republican nomination for the Lake County Board from Dist. 5 which includes Warren, Libertyville and Vernon townships.

"This is the first time I've ever had the first position when I've run for County Board. It's a good omen," exclaimed Graham, who stated that surveys show that the top position is worth an additional eight to 10 percent of the votes cast.

Graham added that having a top running mate makes his chances better than ever. The outspoken advocate for open space is teamed with Carol J. Calabrese, a township trustee, in the March primary.

NEW LOOK—Lake County Board Dist. 6 Rep. Jerry Beyer admits that he's taken a new viewpoint of Brae Loch Country Club. Beyer was part of the hard core opposition in the desire to add the mid-county golf layout on Rte. 45 to the Lake County Forest Preserve District.

"I was looking at Brae Loch strictly from a businessman's point of view. I thought it could have been purchased for less," Beyer related as he chatted about the future of the 150 acre course that is the second golf enterprise to be operated by the forest preserve district.

"I think it's going to work out. I'm enthused about it," observed Beyer, who is a member of a special golf course committee. One of the unexpected pluses of Brae Loch is the discovery that all the greens are served by underground sprinklers.

"Apparently no one knew that. That will save over \$200,000 right there," remarked Beyer, who said the aim now is to "fast track" funding for needed improvements. Underground sprinklers for the greens was on a consultant's "must" list for required improvements.

Beyer credited Dan Purcell, manager of the county's Countryside Golf Course near Mundelein, with the sprinkler find. "He'll make something out of Brae Loch," Beyer declared.

What helped turn his viewpoint around on Brae Loch, Beyer commented, is the fact that the county's golf courses rapidly are going private or semi-private. Public courses are needed, according to the Wauconda political leader. That's where Brae Loch comes into the picture.

STERN TEST—His enemies are sure to be counting noses when friends toss a "We Love Our County Chairman" party Feb. 14 for Lake County GOP Chief Bob Neal. The party will be in the home of Ivan and Wendy Tepper located in Arbor Vista near Grayslake in Warren Township. Guests will pop for donations of \$25 per couple (\$15 single) that will go for hors d'oeuvres and beverages plus something for Neal's campaign kitty.

Letters To The Editor

'Job Hopper'

Editor:

When I voted for Pat Anderson less than a year ago, in the hope that he would succeed in his bid to become Avon Township's new Highway Commissioner, I believed he was best man for the job. With his experience in that line of work, I assumed (incorrectly, it now seems) that he'd provide new direction and leadership by being on the job every day with the rest of his crew.

It is said that we should never assume anything, and the wisdom of that timeless caution once again has been proved correct.

Not only does Mr. Anderson seem to take little interest in his new responsibilities as Highway Commissioner, he is now looking beyond the position he was elected to only months ago. Now he wants to be elected to the County Board. In the business world that's called "job hopping" and little good comes of the practice once employers become aware of a person's tendency toward that kind of impatient behavior. Job-hopping politicians never demonstrate to their supporters that voting for them had been a good idea.

In view of Mr. Anderson's modest experience as an elected official, and his obvious disinterest in performing his present duties, I find it difficult to believe he would take his County Board responsibilities any more seriously.

I am disappointed by his abrupt change of direction, and disillusioned too. Pat Anderson has demonstrated, at least to me, that he is not yet mature enough to represent my interests as a member of the Lake County "Legislature."

Jobs In Jeopardy

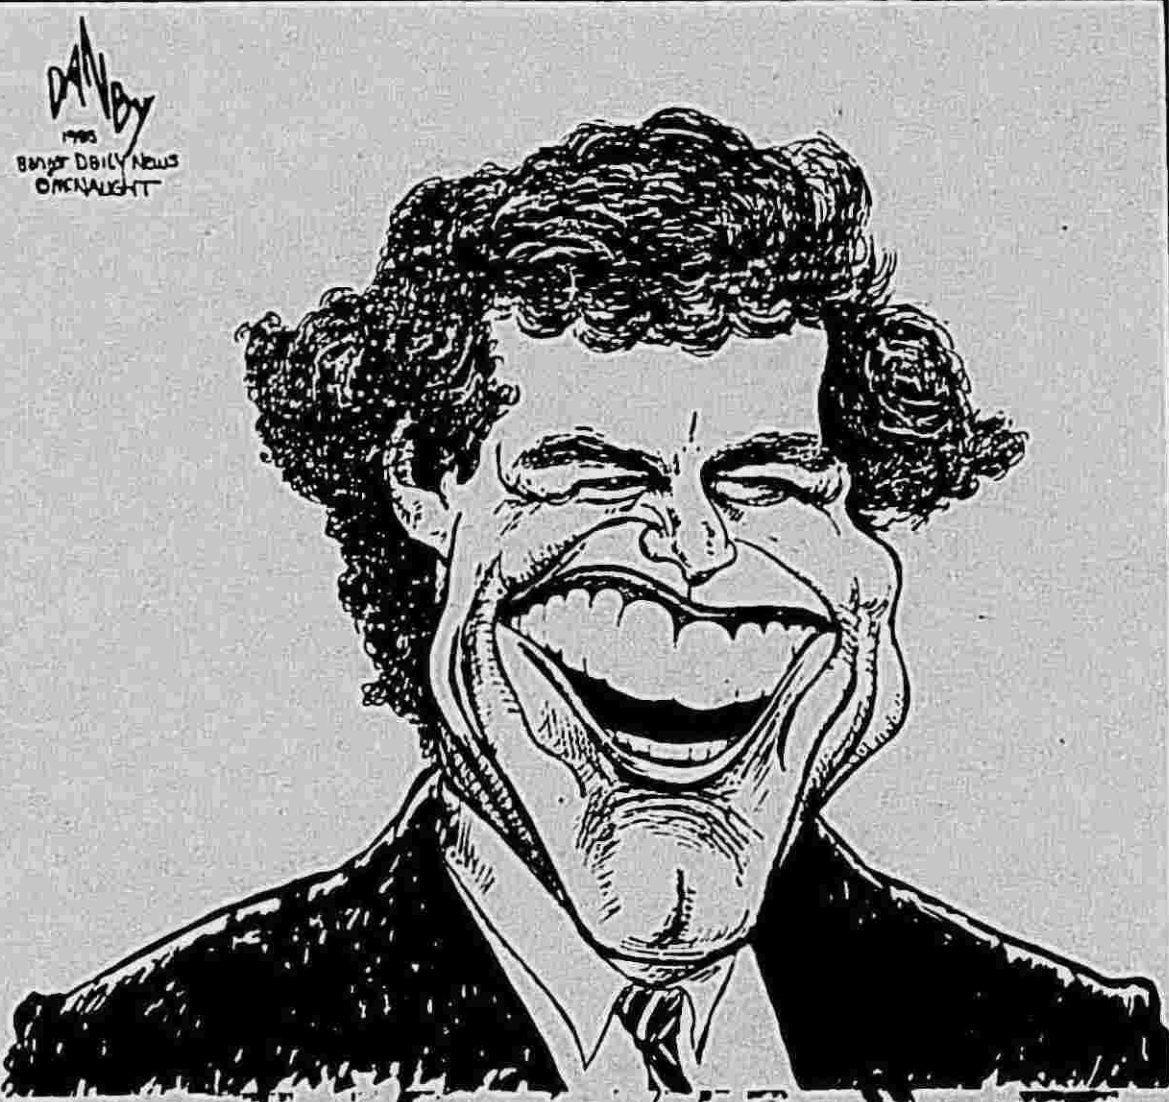

Editor:

Once again, hundreds of thousands of jobs in America are on the line if the Manufacturing Clause of the U.S. Copyright Act is allowed to expire on July 1, 1986.

For 94 years, the Manufacturing Clause has prevented unfair foreign competition from destroying the U.S. printing industry. As a result, U.S. printing has become one of our most vital and productive industries, employing more than 1.2 million Americans.

The Manufacturing Clause of the U.S. Copyright Act, requires U.S. authors of non-dramatic or literary works, such as books, catalogs, newspapers, periodicals and etc., to have their works printed in the United States or Canada if they are to receive full copyright protection.

To ensure the free flow of cultural information, a special exception was added to (Continued on Page 3B)

AN ORDINANCE REZONING LAND AND
MAKING CERTAIN VARIATIONS UNDER
THE GRAYSLAKE ZONING ORDINANCE
FOR PREMISES DESCRIBED AS THE
FRONTAGE NORTH SIDE OF STATE
ROUTE 120 BETWEEN SEARS BOULEVARD
AND STATE ROUTE 45, GRAYSLAKE, ILLINOIS**

WHEREAS, a petition was heretofore submitted by Bertha Lipponeur, as Trustee of ESPER A. PETERSEN TRUST NO. 1, the Owner of the property, for rezoning the land and making certain variations under the Grayslake Zoning Ordinance, being Ordinance No. 235, as amended (comprehensively by Ordinance No. 77-0-26), for the premises described on Exhibit "A", attached hereto and made a part hereof.

Said premises are described as being the frontage north side of State Route 120 between Sears Boulevard and State Route 45, Grayslake, Illinois; and

WHEREAS, this matter was heretofore referred to the Plan Commission and Zoning Board of Appeals of the Village of Grayslake, Lake County, Illinois, for a public hearing upon said petition, and said Plan Commission and Zoning Board of Appeals caused a notice to be prepared containing a general statement of the purpose of the proposed rezoning and variations and an identification of the premises for which the rezoning and variations were proposed and stating the time and place of a public hearing for the consideration thereof; and

WHEREAS, said notice of said public hearing was duly published as required by the relevant provisions of said Zoning Ordinance, at least 15 days but not more than 30 days in advance in a newspaper of general circulation published in said Village; and

WHEREAS, said Plan Commission and Zoning Board of Appeals held a public hearing in said Village as specified in said notice upon said petition for rezoning and variations; the witnesses were duly sworn upon oath and examined at said hearing, and pursuant to said hearing the Plan Commission and Zoning Board of Appeals have made its report and recommendation thereon, to the President and Board of Trustees of said Village; and

WHEREAS, the Plan Commission and Zoning Board of Appeals recommended that said land be rezoned and said variations be granted as hereinafter detailed; and

WHEREAS, The President and Board of Trustees of said Village, after due investigation and consideration of said report, which report is on file in the Office of the Village Clerk of this Village, and by reference is hereby made a part hereof, have determined that the nature and extent of the public interest to be subserved require the granting of the rezoning and variations hereinafter detailed.

**NOW, THEREFORE, BE IT ORDAINED BY THE
PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE
OF GRAYSLAKE, LAKE COUNTY, ILLINOIS:**

**SECTION 1. FINDING OF FACTS AND MEETING OF
CONDITIONS:** That it is hereby found as facts that the variations will only modify the application of the Zoning Ordinance to achieve a parity among properties similarly located and classified and are necessary to overcome exceptional physical conditions which pose a practical difficulty and an unnecessary hardship in such a way as to prevent the owner from using the property as intended by the Zoning Ordinance; and that all of the following conditions have been met:

A. The variations do not permit a use otherwise excluded from the particular zone in which said property is rezoned to namely, the General Business classification.

B. The following special circumstance or condition namely, the incompatibility of the subject premises with the surrounding adjoining property, justify the rezoning of the subject premises and the variations thereon.

C. The special circumstance or condition has not resulted from any act of the applicant subsequent to the adoption of the Zoning Ordinance, whether or not in violation of the provisions thereof.

D. The aforesaid circumstance or condition is such that the strict application of the provisions of the Zoning Ordinance would deprive the applicant of reasonable use of the land, and same does not constitute a mere loss in value to justify the rezoning and variations but would result in a deprivation of a beneficial use of the land.

E. The variations granted are the minimum adjustments necessary for the reasonable use of the land.

F. The granting of the variations is in harmony with the general purposes and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the Comprehensive Plan of the Village.

SECTION 2. REZONING AND VARIATION GRANTED. That the subject premises are rezoned from Shopping Center Business to the General Business classification. Variations are hereby granted as follows:

A. An increase of the structural coverage percentage from twenty-five (25) percent to thirty (30) percent for an increase of five (5) percent.

B. A reduction of setbacks in a business zone abutting a residential district from eighty (80) feet to thirty (30) feet for a reduction of fifty (50) feet.

SECTION 3. NUMBER OF ORDINANCE. That this ordinance shall be in full force and effect from and after its passage, approval, and publication as required by law.

A. The variation does not permit a use otherwise excluded from the particular zone in which said property is located.

B. The variation granted is the minimum adjustment necessary for the reasonable use of the land.

C. The granting of the variation is in harmony with the general purposes and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the Comprehensive Plan of the Village.

SECTION 2. VARIATION GRANTED. That a variation is hereby granted to authorize a two (2) foot reduction of the twenty (20) foot side yard requirement of Section 203, Table 2 Lot Area, Yard and Bulk Regulations.

SECTION 3. NUMBER OF ORDINANCE. That this ordinance shall be in full force and effect from and after its passage, approval, and publication as required by law.

The foregoing ordinance was adopted by a vote as follows: AYES: 6; NAYS: 0; ABSENT AND NOT VOTING: 0.

**ORDINANCE NO. 86-0-1
AN ORDINANCE REZONING PREMISES
AT THE NORTHEAST CORNER OF ZIEGLER
DRIVE AND OLD CENTER STREET IN
THE VILLAGE OF GRAYSLAKE, LAKE
COUNTY, ILLINOIS**

WHEREAS, a petition was heretofore submitted by IRENE ZIEGLER, the Owner of the real estate hereinafter described, for the rezoning of said land as hereinafter provided; and

WHEREAS, the Zoning Board of Appeals of the Village of Grayslake, Lake County, Illinois, caused a notice to be prepared stating the time and place of a public hearing for the consideration of said petition, and whereas said notice of said public hearing was duly published as required by the relevant statutory and ordinance provisions, not more than thirty nor less than fifteen days in advance of said hearing, in a newspaper published in said municipality and having a general circulation therein; and

WHEREAS, said Zoning Board of Appeals held a public hearing in said Village as specified in said petition and considered all the facts relative thereto, the witnesses at said hearing having been duly sworn and examined, and pursuant to said hearing the Zoning Board of Appeals has made its recommendation thereon to the Corporate Authorities of said Village; and

WHEREAS, said Corporate Authorities, after due investigation and consideration have determined that the nature and extent of the public interest to be subserved require the rezoning hereinafter provided;

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF GRAYSLAKE, LAKE COUNTY, ILLINOIS:

SECTION 1. REZONING OF LAND. That the Grayslake Zoning Ordinance is hereby further amended by rezoning from the (OR) Office and Research zoning classification into the (L1) Limited Industrial zoning classification, the real estate described as follows, to-wit:

That part of the West half of the Southeast of Section 26, Township 45 North, Range 10, East of the 3rd Principal Meridian, described as follows: beginning at a point on the East line of the West half of said Southeast Quarter a distance of 946.80 feet South of the North line of said Southeast Quarter; thence West along a line that forms an angle of 89 degrees 58 minutes 52 seconds (turned from South to West from the East line of said West half) a distance of 498.65 feet to a point 460.0 feet East line of Barron and Vonachen's Grayslake Subdivision; thence South parallel with the East line of said Subdivision 653.08 feet to the centerline of Old Center Street; thence Northeasterly along the centerline of said road 554.34 feet to the East line of the West half of said Southeast quarter; thence North along said East line 411.30 feet to the place of beginning, all in Lake County, Illinois.

Said real estate being also known as the Northeast corner of Ziegler Drive and Old Center Street, Grayslake, Illinois.

Said property shall hereafter be subject to the uses and restrictions provided for in said Grayslake Zoning Ordinance, as amended, for the property in the (L1) Limited Industrial zoning classification, and it is hereby ordered that the zoning map of this Village be amended so as to show said land in said last mentioned zoning classification.

SECTION 2. REPEAL. That, except as modified or changed herein, the aforesaid Grayslake Zoning Ordinance as heretofore amended, is hereby ratified, confirmed and approved, but all parts of ordinances inconsistent herewith are hereby repealed, to the extent, and only to the extent, of such inconsistency.

SECTION 3. NUMBER OF ORDINANCE. That this ordinance shall be known as Ordinance No. 86-0-1 and shall be in full force and effect from and after its passage, approval and publication as required by law, including (without limitation) a compliance with the provisions of Section 1-2-4 of the Illinois Municipal Code, as amended.

The foregoing ordinance was adopted by a vote as follows: AYES: 5; NAYS: 0; ABSENT AND NOT VOTING: 1.

2. Proposals shall be submitted on the form furnished by the Owner which may be obtained at the office listed below:

Mathew Tierney, Village Clerk
Village Hall
301 South Route 59
Fox Lake, Illinois 60020

or at

Morris Environmental Engineering, Inc.
1403 North Main Street, Suite 301
Wheaton, Illinois 60187
312/690-0770

and shall be enclosed in an envelope endorse "Bid Proposal - DEMOLITION OF ACME BRICK COMPANY PROPERTY - FOX LAKE STORAGE YARD".

A ten (\$10.00) dollar non-refundable deposit, payable to Morris Environmental Engineering, Inc., is required for the plans and specifications. Plans and specifications will not be mailed; these documents can be obtained or examined at the Village Hall or the office of Morris Environmental Engineering, Inc.

3. No bid shall be withdrawn after the opening of proposals without the consent of the Village of Fox Lake for a period of sixty (60) days after the scheduled time of the bid closing.

The right is reserved to accept any bid or any part or parts thereof or to reject any and all bids, subject to the approval from the Illinois Department of Transportation and the U.S. Department of Transportation.

Any contract resulting from these bids is subject to financial assistance contracts between the project sponsor, the Illinois Department of Transportation and the U.S. Department of Transportation.

All bidders will be required to certify that they are not on the U.S. Comptroller General's list of ineligible contractors and that they are prequalified with the Illinois Department of Transportation.

It is a condition of this contract, and shall be made a condition of each subcontract entered into pursuant to this contract, that the contractor or any subcontractor shall not require any laborer or mechanic employed in performance of the contract to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health or safety, as determined under construction safety and health standards promulgated by the U.S. Secretary of Labor, in accordance with Section 107 of the Contract Work Hours and Safety Standards Act (83 Stat. 96).

The contractor will comply and require all subcontractors to comply with all the requirements imposed by Title VI of the Civil Rights Act of 1964 (49 USC Sec. 200 (d)), the regulations of the United States Department of Transportation promulgated thereunder, and 49 CFR Part 21.

Each bidder will be required to submit along with and as a part of his bid a Bidder's Employee Utilization Form. Each bidder will additionally be required to submit a certification stating whether he intends to subcontract a portion of the work, and, if so, that he shall take affirmative action to seek out and consider minority business enterprises as potential subcontractors. Copies of such certification and the FEPC Form are included in the Contract Documents.

The Village of Fox Lake hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

The Village of Fox Lake hereby notifies all bidders that there is a goal of 12 percent participation for Disadvantaged Business Enterprises (DBE) and 3.25 percent participation for Women's Business Enterprises (WBE) for this project. The bidder must submit his DBE/WBE utilization plan, waiver request, or evidence of good faith compliance no later than ten days after the opening of bids. Failure to submit a plan or waiver request within the specified time frame will be cause for rejection of the bid as non-responsive.

Kiesgen Affirms 'Solo'

Charlotte Kiesgen stressed that she is "running on her own" for a Lake County Board nomination when questioned whether she will be forming a slate.

"I started out on my own and that's the way I intend to run," declared the Fox Lake housewife and Republican worker who is seeking one of two GOP nominations from Dist. 4 which covers Antioch, Avon, Grant and Lake Villa townships.

Kiesgen spoke out in response to reports that she will team up with Pat Anderson of Grayslake to form a ticket for the March 18 primary.

Anderson and Kiesgen have picked up endorsements of each precinct committeemen group in the four-township district.

"I'm willing to hand out literature and speak favorably for Pat as an endorsed Republican, but that's the extent," remarked Kiesgen, whose husband is Grant GOP chairman and road commissioner of Grant Township.

There are six candidates in the Republican race.

Kiesgen was feted at a fund raising rally Tuesday night, Jan. 28, at Frigate on Rollins Rd.

Future Moms Need Exercise

Two therapeutic exercise programs for the mother-to-be and the new mother are presented monthly by the physical medicine/therapy dept. of the Medical Center of Lake County in Libertyville.

For the woman, who is going to have a baby, the prenatal program includes an individual evaluation; group exercise sessions taught by a registered physical therapist; suggestions on how to look and feel good during pregnancy; and recommendations for improving posture and maintaining energy levels.

The postpartum program, for the woman who recently has a baby, also features an individual evaluation and group exercise sessions taught by a registered physical therapist. The new mothers are taught exercises that help regain muscle tone and facilitate weight loss. A graduated program is offered to help increase endurance.

Both programs meet for an hour twice a week for eight weeks and begin monthly. There are daytime and evening classes with the fee set at \$50 for eight weeks.

The individual evaluation costs \$10. To register, call the physical medicine/therapy dept. at The Medical Center of Lake County at (312) 362-2900, ext. 5350.

'Tell The World' Choir

Choir To Play Baptist Church

Tell the World, a contemporary choir, will present a musical program at 6 p.m. on Sunday, Feb. 2 at the Fox Lake Baptist Church, located at 27430 West Nippersink Rd., Ingleside.

Rev. Jerry Marshall, pastor, stated that the group consists of approximately 30 young people from high school Freshmen through the "20's". They perform contemporary and traditional Christian music using professionally prepared accompaniment tapes. This allows for a wide range of musical styles. There will also be a special number of the classical guitar. Some songs that will be featured in the concert include: We Shall Behold Him, Somebody Believed, How Great Thou Art, and

Excuses.

Tell the World was organized six years ago under the sponsorship of the Evangelical Fee Church of Wauconda to provide an opportunity for younger Christians to express their beliefs in song.

Tell the World is directed by Walt Martin, of Island Lake. Mr. Martin has been involved in church music and barbershop quartet music since his own high school years. He is a graduate of Valparaiso University. His wife, Miriam, a graduate of Wheaton College, assisted in organizing the choir and continues to help manage the group.

Members of Tell the World are: Soprano; Cyndi Ahlert, Vici Clarke, Cindy Lesperance, Joy Martin,

Pam Martin, Chris Ortmann, Lara Pohlman, Jeanette Ray, Tabra Ray, Julie Robinson, Amy Sheppard, Brenda Vick, Alto; Anna Firnbach, Heather Ghera, Molly Ginter, Patty Hagland, Dianna Hill, Sherry Hutchins, Kellie Noe, Beth Pellant, Tenor; Greg Boyd, Tim Bryant, Jeff Cook, Jeff Ginter, Mike Nelson, Bass; Jim Long, Bill Ortmann, Darrell Polka, Paul Vick, Steve Zon, Sound; John Hallman, Les Webb, Grant Sanborn, Woody Brohm, Kip Sweet.

The concert on Feb. 2 is open to the public. There is no admission charge. A free will offering will be taken. Pastor Jerry Marshall welcomes all people from the area to attend.

NEXT WEEK'S HOROSCOPE

BY SALOME

Aries (Mar. 21-Apr. 19) A series of events commences at this time. Each is connected to the other. The outcome proves favorable. Keep alert for help that comes from different sources.

Taurus (Apr. 20-May 20) Too many cooks spoil the broth. If you want to avoid landing in the soup, trust your own instincts. Well-meaning friends stir up unnecessary confusion.

Gemini (May 21-June 20) Getting exorcised over changing conditions wastes energy. Instead, look for the benefits that may lie hidden below the surface. Exercise your rights to take full advantage of them.

Cancer (June 21-Jul. 20) Though your intentions are more than honorable, expect a less than positive response until others have a chance to examine your positions. Don't push for answers.

Leo (Jul. 21-Aug. 22) Someone may be lying to the Lion. So, don't fret about what you may hear from a gossiping co-worker. Much of what is said is soon shown to be a fabrication.

Virgo (Aug. 22-Sept. 22) Personal relationships need more flexibility if they're to survive. Agree to a compromise on issues that otherwise threaten to strain friendships to the danger point.

Libra (Sept. 23-Oct. 22) A busy time ahead. Start preparing now for early spring activities in the outdoors. Close friends become closer. New friends come into your life at this time.

Scorpio (Oct. 23-Nov. 21) Signs point to a quickening pace on many levels. Be prepared to have to make decisions ahead of schedule. Family and friends will make new demands on you as well.

Sagittarius (Nov. 22-Dec. 21) You can't change everyone's attitude. Forget those who won't cooperate; concentrate on those who are happy to help. Your combined efforts soon show results.

Capricorn (Dec. 22-Jan. 19) Romantic prospects grow stronger. Expect positive responses. Other relationships both on and off the job also benefit from an improved personal aspect.

Aquarius (Jan. 20-Feb. 18) Someone special gets in touch with you. This is just the first in a new series of events that begins soon. Expect to have to make some changes in your life.

Pisces (Feb. 19-Mar. 20) It's a good time to follow up on a project you were uncertain about before. It's also a good time to follow through on promises regarding personal commitments.
